RE: Hazardous Waste Management Facility Draft Permit
Koch Nitrogen Company, LLC – Dodge City, Kansas
EPA ID# KSD044625010

Dear Mr. Lininger,

The Kansas Department of Health and Environment (KDHE) made the tentative decision to reissue a Hazardous Waste Management Facility Permit to the Koch Nitrogen Company, LLC facility located at 11559 U.S. Highway 50 in Dodge City, Kansas. Therefore, we are forwarding the following documents for your review:

- Draft Hazardous Waste Management Facility Permit.
- Fact sheet detailing KDHE's proposed permit action.
- Administrative Record Index.

The draft permit will be available for public comment during a 45-day public comment period between September 2, 2014 and October 17, 2014. The public, including EPA, are encouraged to review and comment on the draft permit and on any other information contained in the Administrative Record.

Any comments regarding the draft permit should be submitted to KDHE, postmarked no later than October 17, 2014, at the address shown above. If you have any questions pertaining to this matter, you may contact me at (785) 296-1609. KDHE appreciates your cooperation in this matter.

Sincerely,

Mostafa Kamal, PE, CPM
Chief, Hazardous Waste Permits Section
