Once completed, return pages 1 and 2 to KDHE-Bureau of Waste Management. The applicant shall not commence disposal activities unless/until written approval is issued from KDHE-Bureau of Waste Management.

The applicant shall submit a draft restrictive covenant for the area where waste will be disposed. A restrictive covenant form is available on the Bureau of Waste Management web site. If KDHE authorizes the requested disposal, the property owner shall be required to file the approved restricted covenant with the County Register of Deeds within 14 days following completion of the disposal, and a copy of the filed restrictive covenant shall be submitted to KDHE within 30 days of filing. The requirement for a restrictive covenant may be waived by KDHE for small quantities of waste that will not significantly limit future land uses.
