Blue-Green Algae May Be Harmful To Humans & Animals

**Keep Pets &
Livestock Away From
The Water**

- Use caution when contacting lake water and wash with clean water afterward
- Avoid areas of algae accumulation
- Don't let people/pets eat dried algae or drink untreated lake water
- Clean fish well and discard guts

In case of harmful algae contact, call doctor/veterinarian if people/animals have nausea, vomiting, diarrhea, rash, irritated eyes, seizures, breathing problems or other unexplained illness
