**28-4-114. Applicant; licensee.** (a) Application process.

(1) Any person desiring to operate a facility shall apply for a license on forms provided by the department.

(2) Each applicant and each licensee shall submit the fee specified in K.A.R. 28-4-92 for a license or for the renewal of a license. The applicable fee shall be submitted at the time of license application or renewal and shall not be refundable.

(3) The granting of a license to any applicant or applicant with a temporary permit may be refused by the secretary if the applicant or applicant with a temporary permit is not in compliance with the applicable requirements of the following:

(A) K.S.A. 65-504 through 65-506, and amendments thereto;

(B) K.S.A. 65-508, and amendments thereto;

(C) K.S.A. 65-512, and amendments thereto;

(D) K.S.A. 65-530 and 65-531, and amendments thereto; and

(E) all regulations governing facilities.

(4) Failure to submit the application forms and fee for renewal of a license shall result in an assessment of a late fee pursuant to K.S.A. 65-505, and amendments thereto, and may result in closure of the facility.

(b) Applicant and licensee requirements. Each applicant, if an individual, and each licensee, if an individual, shall meet the following requirements:

(1) Be at least 18 years of age;

(2) not be involved in child care or a combination of child care and other employment for more than 18 hours in a 24-hour period; and

(3) not be engaged in either business or social activities that interfere with the care or supervision of children.

(c) Multiple child care facilities.

(1) Each applicant with a temporary permit and each licensee who operates more than one child care facility, as defined in K.S.A. 65-503 and amendments thereto, shall maintain each child care facility as a separate entity.

(2) A license for an additional child care facility shall not be granted until all existing child care facilities for which the licensee has been granted a license are in compliance with licensing regulations.

(d) Multiple licenses. No licensee shall be licensed concurrently for or provide more than one type of child care or child and adult care on the same premises.

(e) License capacity for day care homes. Each applicant with a temporary permit and each licensee shall ensure that the requirements of this subsection are met.

(1) The maximum number of children for which a day care home may be licensed shall be the following:

*(continued)*

TABLE I—LICENSE CAPACITY, ONE PROVIDER

\*A second provider shall be present when the number of children exceeds the maximum number allowed for one provider. See Table I.

\*\*Children five years of age and over may be substituted for younger children in the license capacity.

(2) Children at least 11 years of age but under 16 years of age unrelated to the provider shall be included in the license capacity if child care for this age group as a whole exceeds three hours a week.

(g) Developmental levels. Any child who does not function according to age-appropriate expectations shall be counted in the age group that reflects the developmental age level of the child.

(h) License capacity not exceeded. Each applicant with a temporary permit and each licensee shall ensure that

the total number of children on the premises, including children under 11 years of age related to the applicant with a temporary permit, the licensee, or any other provider, does not exceed the license capacity, except for additional children permitted in subsection (j).

(i) Emergency care. Emergency care may be provided if the additional children do not cause the license capacity to be exceeded.

(j) Additional children on the premises. In addition to the number of children permitted under the terms of the temporary permit or the license and specified in subsections (e) and (f), other children may be permitted on the premises.

(1) Not more than two additional children 2½ years of age or older who attend part-day preschool or part-day kindergarten may be present at any time between the hours of 11:00 a.m. and 1:00 p.m. for the noon meal on days that school is in session.

(2) Not more than two additional children at least five years of age but under 11 years of age may be present between the hours of 6:00 a.m. and 6:00 p.m. The additional children may be present as follows:

(A) During the academic school year before and after school, in-service days, school holidays, scheduled or emergency closures, and school breaks not to exceed two consecutive weeks; and

(B) during the two consecutive weeks before the opening of the academic school year in August or September and following the end of the academic school year in May or June.

(3) Not more than two additional children 11 years of age or older, unrelated to the applicant with a temporary permit or the licensee, may be present for not more than two hours a day during child care hours if all of the following conditions are met:

(A) The additional children are not on the premises for the purpose of receiving child care in the facility.

(B) The additional children are visiting the applicant's or the licensee's own child or children.

(C) The additional children are supervised by a provider if they have access to the children in care.

(k) Substitute. Each applicant with a temporary permit and each licensee shall arrange for a substitute to care for children in the event of a temporary absence or extended absence of the primary care provider

(l) Posting of temporary permit or license and availability of regulations. Each applicant with a temporary permit and each licensee shall post any temporary permit or license conspicuously as required by K.S.A. 65-504, and amendments thereto. A copy of the current regulations governing facilities shall be kept on the premises and shall be available to all providers at all times.

(m) Closure. Any applicant may withdraw the application for a license. Any applicant with a temporary permit and any licensee may submit, at any time, a request to close the facility. If an application is withdrawn or a facility is closed, any temporary permit or license granted to the applicant or licensee for that facility shall become void. (Authorized by K.S.A. 2010 Supp. 65-508; implementing K.S.A. 2010 Supp. 65-504, K.S.A. 2010 Supp. 65-505, and K.S.A. 2010 Supp. 65-508; effective, E-80-18, Oct. 17, 1979; effective May 1, 1980; amended May 1, 1981;

amended May 1, 1983; amended May 1, 1984; amended May 1, 1985; amended Feb. 26, 1990; amended Feb. 3, 2012.)

**28-4-114a. Initial and ongoing professional development.** If an applicant, an applicant with a temporary permit, or a licensee is not an individual, the applicant, applicant with a temporary permit, or licensee shall designate an individual to meet the requirements of this regulation.

(a) Orientation.

(1) Each person shall, before applying for a license, complete an orientation program on the requirements for operating a facility, provided by the health department or the secretary's designee that serves the county in which the facility will be located.

(2) Each applicant, each applicant with a temporary permit, and each licensee shall provide orientation to each individual who will be caring for children about the policies and practices of the facility, including duties and responsibilities for the care and supervision of children. Each provider shall complete the orientation before the provider is given sole responsibility for the care and supervision of children. The orientation shall include the following:

(A) Licensing regulations;

(B) the policies and practices of the facility, including emergency procedures, behavior management, and discipline;

(C) the schedule of daily activities;

(D) care and supervision of children in care;

(E) health and safety practices; and

(F) confidentiality.

(b) Health and safety training. Each applicant, each applicant with a temporary permit, each licensee, and each provider shall complete health and safety training approved by the department.

(1) Each applicant and each applicant with a temporary permit shall complete the training not later than 30 calendar days after submitting an application for a license.

(2) Each provider shall complete the training before the date of employment or not later than 30 calendar days after the date of employment.

(3) Each licensee whose license was issued before the effective date of this regulation shall complete the training within one calendar year after the effective date of this regulation. Each provider who was employed in the facility before the effective date of this regulation shall complete the training within one calendar year after the effective date of this regulation.

(4) The health and safety training shall include the following:

(A) At least two clock-hours of training in recognizing the signs of child abuse or neglect, including prevention of abusive head trauma, and the reporting of suspected child abuse and neglect;

(B) at least two clock-hours of training in basic child development; and

(C) at least two clock-hours of training on safe sleep practices and sudden infant death syndrome if the individual will be caring for children under 12 months of age.

(c) Pediatric first aid and pediatric cardiopulmonary resuscitation (CPR) certifications. Each applicant, each

applicant with a temporary permit, each licensee, and each provider shall obtain certification in pediatric first aid and pediatric CPR as specified in this subsection.

(1) Each applicant and each applicant with a temporary permit shall obtain the certifications not later than 30 calendar days after submitting an application for a license.

(2) Each provider shall obtain the certifications before the date of employment or not later than 30 calendar days after the date of employment.

(3) Each licensee whose license was issued before the effective date of this regulation shall obtain the certifications within one calendar year after the effective date of this regulation. Each provider who was employed in the facility before the effective date of this regulation shall obtain the certifications within one calendar year after the effective date of this regulation.

(4) Each individual required to obtain the certifications shall maintain current certifications.

(d) Initial professional development requirements. In addition to the professional development requirements in subsections (a), (b), and (c), each applicant, each applicant with a temporary permit, and each primary care provider shall, not later than 30 calendar days following initial application for a license or employment, meet one of the following requirements:

(1) Have a child development associate credential;

(2) complete at least 15 hours of professional development training, which may include the training required in subsections (a), (b), and (c);

(3) have at least three months of previous employment in a facility or in a child care center, as defined in K.A.R. 28-4-420, that has been in continuous operation for three or more years; or

(4) meet the requirements for a program director of a child care center as specified in K.A.R. 28-4-429.

(e) Annual professional development training requirements. In each licensure year, each primary care provider shall meet one of the following requirements:

(1) Complete five clock-hours of professional development training;

(2) maintain current accreditation by the national association for family child care; or

(3) hold a current child development associate credential.

(f) Documentation. Documentation of all orientation, training, and certifications for each individual shall be kept in that individual's file in the facility. (Authorized by and implementing K.S.A. 2010 Supp. 65-508; effective Feb. 3, 2012.)

**28-4-115. Facility.** (a) Water supply and sewerage systems. Each applicant, each applicant with a temporary permit, and each licensee shall ensure that public water and sewerage systems, where available, are used. If a nonpublic source for the water supply is used, the water shall be safe for drinking and shall be tested annually by a department-certified laboratory. If a well is used, the well shall be approved by the local authority for private well permitting, the department, or a licensed water well contractor. A copy of the test results and the approval shall be kept on file at the facility. Each private sewerage

(continued)

system shall be maintained in compliance with all applicable state and local laws.

(b) Drinking water for children under 12 months of age. If children under 12 months of age are enrolled in a facility using water from a nonpublic source, including private well water, commercially bottled drinking water shall be purchased and used until a laboratory test confirms that the nitrate content of the private well water is not more than 10 milligrams per liter (10 mg/l) as nitrogen.

(c) General environmental requirements. Each facility shall have 25 square feet of available play space per child and shall be constructed, arranged, and maintained to provide for the health and safety of children in care. Each applicant, each applicant with a temporary permit, and each licensee shall ensure that the facility meets the following requirements:

- (1) Has walls that are in good condition;
- (2) is skirted and anchored if a mobile home;
- (3) has a 2A 10B:C fire extinguisher;
- (4) has a working smoke detector on each level of the facility;
- (5) is uncluttered, visibly clean, and free from any evidence of vermin infestation and any objects or materials that constitute a danger to children in care;
- (6) has kitchen and outdoor trash and garbage in covered containers or in tied plastic bags;
- (7) meets all of the following requirements for each heating appliance:
  - (A) Has a protective barrier for each freestanding heating appliance to protect from burns; and
  - (B) has each heating appliance using combustible fuel vented to the outside;
- (8) has each electrical outlet covered or inaccessible to prevent easy access by a child when the outlet is not in use;
- (9) has any power strip or extension cord positioned in a manner that prevents a tripping or shock hazard;
- (10) has each stairway with more than two stairs railed;
- (11) if any children under 2½ years of age are in care, meets all of the following requirements:
  - (A) Has each stairway equipped with balusters not more than four inches apart or guarded to prevent a child's head or body from falling through;
  - (B) has each stairway guarded by a secured door or gated to prevent unsupervised access by the child, including a latching device that an adult can open readily in an emergency;
  - (C) does not have any accordion gate in use; and
  - (D) does not have a pressure gate at the top of any stairway;
- (12) has a readily available second means of escape from the first floor;
- (13) has each lockable interior door designed to permit the door to be unlocked from either side in case of an emergency;
- (14) is maintained at a temperature of not less than 65 degrees Fahrenheit and not more than 85 degrees Fahrenheit in the play area;
- (15) does not have any window coverings with strings or cords accessible to children in care; and

(16) has at least one bathroom with at least one sink and one flush toilet. All fixtures shall be in working order at all times. An individual towel and washcloth or disposable products shall be provided for each child. Hand soap shall be readily accessible in each bathroom.

(d) Fire safety. Each facility shall be approved for fire safety by a fire inspector.

(e) Basements and other floors. A basement or a second floor used for child care in a facility shall be approved for fire safety by a fire inspector before use. A third floor shall not be used for child care.

(f) Refrigerator. A refrigerator shall be available for the storage of perishable foods. Refrigerated medications shall be in a locked box.

(g) Storage of hazardous items. The following hazardous items shall be safely stored:

(1) All household cleaning supplies and all bodily care products bearing warning labels to keep out of reach of children or containing alcohol shall be in locked storage or stored out of reach of children under six years of age. Soap used for hand washing may be kept unlocked and placed on the back of the counter by a bathroom or kitchen sink.

(2) Dangerous chemicals, household supplies with warning labels to keep out of reach of children, and all medications shall be in locked storage or stored out of the reach of children under 10 years of age.

(3) Sharp instruments shall be stored in drawers or cabinets equipped with childproof devices to prevent access by children or stored out of reach of children.

(4) Tobacco products, ashtrays, lighters, and matches shall be stored out of reach of children.

(h) Storage of weapons. No child in care shall have access to weapons. All weapons shall be stored in a locked room, closet, container, or cabinet. Ammunition shall be kept in locked storage separate from other weapons.

(i) Outdoor play area. The designated area for outdoor play and large motor activities on the premises shall meet all of the following requirements:

(1) The outdoor play area shall be fenced if the play area adjoins that of another child care facility, as defined in K.S.A. 65-503 and amendments thereto, or if the area surrounding, or the conditions existing outside, the play area present hazards that could be dangerous to the safety of the children, which may include any of the following:

- (A) A fish pond or a decorative pool containing water;
- (B) railroad tracks; or
- (C) a water hazard, including a ditch, a pond, a lake, and any standing water.

(2) Outdoor play equipment that is safely constructed and in good repair shall be available and placed in an area free of health, safety, and environmental hazards.

(3) The use of a trampoline shall be prohibited during the hours of operation of the facility. If a trampoline is on the premises, the trampoline shall be made inaccessible to children during the facility's hours of operation.

(4) Climbing equipment and swings shall be either anchored in the ground with metal straps or pins or set in cement, to prevent movement of the equipment and swings.

(5) All surfaces under and around climbing equipment and swings shall meet the following requirements:

(A) Impact-absorbent surfacing material shall be installed in each use zone under and around anchored equipment over four feet in height, including climbing equipment, slides, and swings.

(B) Impact-absorbent surfacing material shall consist of material intended for playground use, including shredded bark mulch, wood chips, fine sand, fine gravel, shredded rubber, unitary surfacing material, or synthetic impact material.

(C) Hard-surfacing materials, including asphalt, concrete, and hard-packed dirt, shall not be used in any use zone. This requirement shall apply regardless of the height of the climbing equipment, slides, and swings.

(D) Surfaces made of loose material shall be maintained by replacing, leveling, or raking the material.

(6) Swings shall not have wooden or metal seats.

(7) Teeter-totters and merry-go-rounds designed for school-age children shall not be used by children under five years of age.

(j) Each facility licensed on and after March 1, 2012 shall have a designated area for outdoor play and large motor activities as part of the licensed premises. (Authorized by and implementing K.S.A. 2010 Supp. 65-508; effective, E-80-18, Oct. 17, 1979; effective May 1, 1980; amended May 1, 1981; amended May 1, 1983; amended May 1, 1984; amended May 1, 1986; amended May 1, 1987; amended Feb. 26, 1990; amended Feb. 3, 2012.)

**28-4-115a. Supervision.** (a) Supervision plan.

(1) Each applicant, each applicant with a temporary permit, and each licensee shall develop a supervision plan for children in care that includes all age ranges of children for whom care will be provided. A copy of the plan shall be available for review by the parents or legal guardians of children in care and by the department. The plan shall include the following:

(A) A description of the rooms, levels, or areas of the facility including indoor and outdoor areas in which the child will participate in activities, have snacks or meals, nap, or sleep;

(B) the manner in which supervision will be provided; and

(C) any arrangements for the provision of evening or overnight care.

(2) Each applicant, each applicant with a temporary permit, and each licensee shall update the supervision plan when changes are made in any of the requirements of paragraph (a)(1).

(3) Each provider shall follow the supervision plan.

(b) General supervision requirements. Each applicant with a temporary permit and each licensee shall ensure that supervision is provided as necessary to protect the health, safety, and well-being of each child in care.

(1) Each child in care shall be under the supervision of a provider who is responsible for the child's health, safety, and well-being.

(2) Each provider shall be aware at all times of the location of each child in that provider's care and the activities in which the child is engaged. Each provider shall perform the following:

(A) Interact with the child and attend to the child's needs;

(B) respond immediately if the child is crying or in distress in order to determine the cause and to provide comfort and assistance;

(C) investigate immediately any change in the activity or noise level of the child; and

(D) respond immediately to any emergency that could impact the health, safety, and well-being of the child.

(3) No provider shall engage in business, social, or personal activities that interfere with the care and supervision of children.

(4) If used, electronic monitoring devices, including infant monitors, shall not replace any of the supervision requirements of this regulation.

(c) Indoor supervision requirements. When any child is indoors, each provider shall ensure that all of the following requirements are met, in addition to the requirements of subsection (b):

(1) For each child who is under 2½ years of age and who is awake, the provider shall be within sight of and in proximity to the child, watching and overseeing the activities of the child. When the provider is attending to personal hygiene needs or engaging in other child care duties and is temporarily unable to remain within sight of the child, the provider shall meet all of the following conditions:

(A) The provider has first ensured the safety of each child.

(B) The provider is able to respond immediately to any child in distress.

(C) The provider remains within hearing distance of each child.

(2) For each child 2½ years of age and older who is awake, the provider may permit the child to go unattended to another room within the facility to engage in activities if all of the following conditions are met:

(A) The provider determines, based on observations of the child's behavior and information from the parent or legal guardian, that the child can go unattended to another room within the facility.

(B) The door to each room remains open.

(C) The provider remains within hearing distance of the child.

(D) The provider visually checks on the child and responds as necessary to meet the needs of the child.

(3) Each applicant with a temporary permit and each licensee shall ensure that supervision is provided for each child who is napping or sleeping.

(A) Each child who is napping or sleeping shall be within sight or hearing distance of the provider and shall be visually checked on by the provider at least once every 15 minutes.

(B) The provider shall meet all of the requirements of K.A.R. 28-4-116a for any child who is under 12 months of age and is napping or sleeping.

(C) When any child is napping or sleeping in a room separate from the provider, the door to that room shall remain open.

(D) When a child awakens and is ready to get up, the provider shall attend to the child's needs and assist the child in moving to another activity.

*(continued)*

(d) Outdoor supervision requirements. When any child is outdoors, each provider shall ensure that all of the following requirements are met, in addition to the requirements of subsection (b):

(1) For each child under five years of age, the provider shall be outdoors at all times and remain within sight of and in proximity to each child, watching and directing the activities of the child.

(2) For each child five years of age and older, the provider may permit the child to go unattended to the facility's designated outdoor play area on the premises if all of the following conditions are met:

(A) The designated play area on the premises is enclosed with a fence.

(B) The provider determines that the area is free of any potential hazards to the health and safety of the child.

(C) The provider remains within hearing distance of the child.

(D) The provider visually checks on the child and responds as necessary to meet the needs of the child.

(e) Evening care and overnight care. Each applicant with a temporary permit and each licensee who provide evening care or overnight care shall ensure that the following requirements are met:

(1) All requirements of subsections (a) through (d) shall be met.

(2) When overnight care is provided in a day care home, at least one provider shall remain awake at all times.

(3) When overnight care is provided in a group day care home, a second provider shall remain awake at all times if the number of children who are awake exceeds the requirements of K.A.R. 28-4-114 (e), table I. (Authorized by and implementing K.S.A. 2010 Supp. 65-508; effective Feb. 3, 2012.)

**28-4-116. Daily care of children.** (a) Daily activities.

(1) Each applicant with a temporary permit and each licensee shall provide daily activities that promote healthy growth and development, take into consideration the cultural background and traditions that are familiar to the children, and incorporate both indoor and outdoor activities that are appropriate for the ages and developmental levels of the children in care.

(2) Each child shall be offered a choice of activities and the opportunity to participate. Age-appropriate toys, play equipment, books, and other learning materials shall be available in sufficient quantities to allow each child a choice of activities.

(3) The activities, supplies, and equipment shall be designed to promote the following:

(A) Large motor and small motor development, which may include running, climbing, jumping, grasping objects, drawing, buttoning, and tying;

(B) creative expression, which may include dramatic play, music, and art;

(C) math and science skills, which may include sorting, matching, counting, and measuring; and

(D) language development and literacy, which may include reading, singing, finger plays, writing, and stories.

(4) Each child shall be given the opportunity for at least one hour of physical activity daily, either outdoors as described in paragraph (a)(7) or indoors.

(5) Each applicant with a temporary permit and each licensee shall ensure that the following requirements are met if the daily activities include any media viewing:

(A) Each program shall be age-appropriate and, if rated, shall have a rating appropriate for the ages and developmental levels of the children who view the program.

(B) No child shall be required to participate in media viewing. Each child not engaged in media viewing shall be offered a choice of at least one other activity for that time period.

(6) Toys and other items used by children shall meet the following requirements:

(A) Be clean, of safe construction, and in good repair;

(B) be washed and sanitized daily when used by children under 18 months of age; and

(C) be washed and sanitized before being used by another child, if contaminated by saliva or other bodily fluids.

(7) Unless prohibited by the child's medical condition or extreme weather conditions, each child in care shall be taken outdoors daily. Each child 12 months of age or older shall have the opportunity for at least one hour of outdoor play daily.

(b) Self-help and personal care. Each provider shall ensure that each child is assisted as needed with hand washing, toileting, dressing, and other personal care.

(c) Hand washing. Hands shall be washed using soap and warm running water and dried with a paper towel or a single-use towel. When soap and running water are not readily available, an alcohol-based hand sanitizer may be used only by adults and, under adult supervision, by children two years of age and older.

(1) Each provider shall wash that provider's hands as needed when hands are soiled and when each of the following occurs:

(A) At the start of the hours of operation or when first arriving at the facility;

(B) returning from being outdoors;

(C) after toileting, diapering, assisting a child with toileting, or handling any bodily fluids;

(D) before preparing each snack and each meal and before and after eating each snack and each meal;

(E) before and after administering any medication; and

(F) after feeding or handling any pet.

(2) Each child shall wash that child's hands or be assisted in washing that child's hands as needed when hands are soiled and when each of the following occurs:

(A) First arriving at the facility;

(B) returning from being outdoors;

(C) after toileting;

(D) before and after eating each snack and each meal; and

(E) after feeding or handling any pet.

(d) Smoking prohibited. No provider shall smoke while providing direct physical care to children. Smoking in any room, enclosed area, or other enclosed space on the premises shall be prohibited when children are in care pursuant to K.S.A. 65-530, and amendments thereto.

(e) Nutrition and food service. Each applicant with a temporary permit and each licensee shall develop and

implement menu plans for meals and snacks that contain a variety of healthful foods, including fresh fruits, fresh vegetables, whole grains, lean meats, and low-fat dairy products.

(1) If children under 18 months of age are in care, the following requirements shall be met:

(A) Each child shall be held when bottle-fed until the child can hold the child's own bottle.

(B) No child shall be allowed to sleep with a bottle in the mouth.

(C) Each bottle that contains prepared formula or breast milk shall be stored in the refrigerator with the nipple covered. The bottle shall be labeled with the child's name, the contents, and the date received and shall be used within 24 hours of the date on the label.

(D) If a child does not finish a bottle, the contents of the bottle shall be discarded.

(E) No formula or breast milk shall be heated in a microwave oven.

(F) Solid foods shall be offered when the provider and the parent or legal guardian of the child determine that the child is ready for solid foods. Opened containers of solid foods shall be labeled with the child's name, the contents, and the date opened. Containers shall be covered and stored in the refrigerator.

(2) Each applicant with a temporary permit and each licensee shall serve nutritious meals and snacks based on the amount of time a child is in care.

(A) Each child who is in care at least 2½ hours but under four hours shall be served at least one snack.

(B) Each child who is in care at least four hours but under eight hours shall be served at least one snack and at least one meal.

(C) Each child who is in care at least eight hours but under 10 hours shall be served at least two snacks and one meal or at least one snack and two meals.

(D) Each child who is in care for 10 or more hours shall be served at least two meals and at least two snacks.

(3) Each applicant with a temporary permit and each licensee shall include the following items in meals and snacks:

(A) Breakfast shall include the following:

(i) A fruit, vegetable, full-strength fruit juice, or full-strength vegetable juice;

(ii) bread or grain product; and

(iii) milk.

(B) Noon and evening meals shall include one item from each of the following:

(i) Meat or a meat alternative;

(ii) two vegetables or two fruits, or one vegetable and one fruit;

(iii) bread or a grain product; and

(iv) milk.

(C) Midmorning and midafternoon snacks shall include at least two of the following:

(i) Milk;

(ii) fruit, vegetable, full-strength fruit juice, or full-strength vegetable juice;

(iii) meat or a meat alternative; or

(iv) bread or grain product.

(D) For snacks, juice shall not be served when milk is served as the only other item.

(4) A sufficient quantity of food shall be prepared for each meal to allow each child to have a second portion of bread, milk, and either vegetables or fruits.

(5) Drinking water shall be available to each child at all times when the child is in care.

(6) Only pasteurized milk products shall be served.

(7) Milk served to any child who is two years of age or older shall have a fat content of one percent or less, unless a medical reason is documented in writing by a licensed physician.

(8) If a fruit juice or a vegetable juice is served, the juice shall be pasteurized and full-strength.

(9) If any child has a food allergy or special dietary need, the provider and the parent or legal guardian of the child shall make arrangements for the provision of alternative foods or beverages.

(10) Meals and snacks shall be served to each child using individual tableware that is appropriate for the food or beverage being served. Food shall be served on tableware appropriate for that food and shall not be served directly on a bare surface, including a tabletop.

(11) Tableware shall be washed, rinsed and air-dried or placed in a dishwasher after each meal.

(12) Sanitary methods of food handling and storage shall be followed.

(13) A washable or disposable individual cup, towel, and washcloth shall be provided for each child.

(f) Recordkeeping. Each applicant with a temporary permit and each licensee shall ensure that a file is maintained for each child, including each child enrolled for emergency care. Each file shall include the following information:

(1) The full name, home and business addresses, and telephone numbers of the child's parent or parents or legal guardian and the name, address, and telephone number of the individual to notify in case of emergency;

(2) the full name and telephone number of each individual authorized to pick up the child and to provide transportation to and from the facility;

(3) a medical record as required by K.A.R. 28-4-117(a), except that each child enrolled for emergency care shall be exempt from K.A.R. 28-4-117 (a)(2); and

(4) written permission from the parent or legal guardian for emergency medical care and for the child to go off the premises as required by K.A.R. 28-4-124 and 28-4-127(b)(1)(A). (Authorized by K.S.A. 2010 Supp. 65-508; implementing K.S.A. 65-507 and K.S.A. 2010 Supp. 65-508; effective, E-80-18, Oct. 17, 1979; effective May 1, 1980; amended May 1, 1981; amended May 1, 1983; amended May 1, 1985; amended May 1, 1987; amended Feb. 26, 1990; amended Feb. 3, 2012.)

**28-4-116a. Napping and sleeping.** (a) Rest period. Each child shall have a daily, supervised rest period as needed. Each child who does not nap or sleep shall be given the opportunity for quiet play.

(b) Safe sleep practices for children in care.

(1) Each applicant with a temporary permit and each licensee shall develop and implement safe sleep practices for children in care who are napping or sleeping.

(2) Each applicant with a temporary permit and each licensee shall ensure that the safe sleep practices are dis-

*(continued)*

cussed with the parent or legal guardian of each child before the first day of care.

(3) Each provider shall follow the safe sleep practices of the facility.

(4) Each child who is 12 months of age or older shall nap or sleep on a bed, a cot, the lower bunk of a bunk bed, or a pad over a carpet or area rug on the floor.

(5) Each applicant with a temporary permit and each licensee shall ensure that all of the following requirements are met for each child in care who is under 12 months of age.

(A) The child shall nap or sleep in a crib or a playpen. Stacking cribs or bassinets shall not be used. Cribs with water-bed mattresses shall not be used.

(B) If the child falls asleep on a surface other than a crib or playpen, the child shall be moved to a crib or playpen.

(C) The child shall not nap or sleep in the same crib or playpen as that occupied by another child at the same time.

(D) The child shall be placed on the child's back to nap or sleep.

(E) When the child is able to turn over independently, the child shall be placed on the child's back but then shall be allowed to remain in a position preferred by the child. Wedges or infant positioners shall not be used.

(F) The child shall sleep in a crib or a playpen that is free of any soft items, which may include pillows, quilts, heavy blankets, bumpers, and toys.

(G) If a lightweight blanket is used, the blanket shall be tucked along the sides and foot of the mattress. The blanket shall not be placed higher than the child's chest. The head of the child shall remain uncovered. The child may nap or sleep in sleep clothing, including sleepers and sleep sacks, in place of a lightweight blanket.

(c) Napping or sleeping surfaces. Each applicant with a temporary permit and each licensee shall ensure that the following requirements are met for all napping or sleeping surfaces:

(1) Clean, individual bedding shall be provided for each child.

(2) Each surface used for napping or sleeping shall be kept clean, of safe construction, and maintained in good repair.

(3) Each crib and each playpen shall be used only for children who meet the manufacturer's recommendations for use, including any age, height, or weight limitations. The manufacturer's instructions for use, including any recommendations for use, shall be kept on file at the facility.

(4) Each crib and each playpen shall have a firm, tight-fitting mattress and a fitted sheet. The mattress shall be set at its lowest point when any child using the crib or playpen becomes able either to sit up or to pull up to a standing position inside the crib or playpen, whichever occurs first, to ensure that the child cannot climb out of the crib or playpen.

(5) If a crib or playpen is slatted, the slats shall be spaced not more than 2 $\frac{3}{8}$  inches apart.

(6) On and after December 28, 2012, each applicant, each applicant with a temporary permit, and each licensee shall ensure that no crib purchased before June 28, 2011 is in use in the facility.

(7) Each pad used for napping or sleeping shall be at least  $\frac{1}{2}$  inch thick, washable or enclosed in a washable cover, and long enough so that the child's head and feet rest on the pad. Clean, individual bedding, including a bottom and a top cover, shall be provided for each child.

(8) Cribs, cots, playpens, and pads, when in use for napping or sleeping, shall be separated by at least 24 inches in all directions except when bordering on the wall.

(9) When not in use, cribs, cots, playpens, pads, and bedding shall be stored in a clean and sanitary manner.

(d) Consumer warning or recall. Each applicant with a temporary permit and each licensee shall make any necessary changes to follow the recommendations of any consumer warning or recall of a crib or a playpen as soon as the warning or recall is known.

(e) Transition from crib or playpen. The determination of when a child who is 12 months of age or older is ready to transition from a crib or a playpen to another napping or sleeping surface shall be made by the parent or guardian of the child and by either the applicant with a temporary permit or the licensee. The requirements of paragraphs (c)(3) and (4) for a child using a crib or playpen shall apply. (Authorized by and implementing K.S.A. 2010 Supp. 65-508; effective Feb. 3, 2012.)

**28-4-120.** (Authorized by K.S.A. 65-522; implementing K.S.A. 65-519 and 65-521; effective May 1, 1981; amended May 1, 1986; amended Feb. 26, 1990; amended July 11, 2008; revoked Feb. 3, 2012.)

**28-4-121.** (Authorized by K.S.A. 65-522; implementing K.S.A. 65-519; effective July 11, 2008; revoked Feb. 3, 2012.)

**28-4-428a. Education and training requirements.**

(a) Orientation.

(1) Each person shall, before applying for a license, complete an orientation program on the requirements for operating a preschool or a child care center. If the person is not an individual, the person shall designate an individual to meet this requirement. The orientation shall be provided by the county health department or the secretary's designee that serves the county in which the preschool or child care center will be located.

(2) Each licensee shall provide orientation to each program director not later than seven calendar days after the date of employment and before the program director is given sole responsibility for implementing and supervising the program.

(3) Each licensee shall ensure that orientation is completed by each staff member who will be counted in the staff-child ratio and by each volunteer who will be counted in the staff-child ratio. Each staff member and volunteer shall complete the orientation within seven calendar days after the date of employment or volunteering and before the staff member or volunteer is given sole responsibility for the care and supervision of children.

(4) Each licensee shall ensure that the orientation for each program director, staff member, and volunteer is related to work duties and responsibilities and includes the following:

(A) Licensing regulations;

(B) the policies and practices of the preschool or child care center, including emergency procedures, behavior management, and discipline;

(C) the schedule of daily activities;

(D) care and supervision of children in care;

(E) health and safety practices; and

(F) confidentiality.

(b) Health and safety training.

(1) Each staff member who is counted in the staff-child ratio, each volunteer who is counted in the staff-child ratio, and each program director shall complete health and safety training either before employment or volunteering or not later than 30 calendar days after the date of employment or volunteering.

(2) The training shall be approved by the secretary and shall include the following:

(A) At least two clock-hours of training in recognizing the signs of child abuse or neglect, including prevention of abusive head trauma and the reporting of suspected child abuse and neglect;

(B) at least two clock-hours of training in basic child development; and

(C) at least two clock-hours of training on safe sleep practices and sudden infant death syndrome if the individual will be caring for children under 12 months of age.

(3) Each individual who is required to complete this training and who was employed in the preschool or child care center before the effective date of this regulation shall complete the training within one calendar year after the effective date of this regulation.

(c) Pediatric first aid and cardiopulmonary resuscitation (CPR) certifications.

(1) Each staff member counted in the staff-child ratio, each volunteer counted in the staff-child ratio, and each program director shall obtain certification in pediatric first aid and in pediatric CPR as specified in this subsection either before the date of employment or volunteering or not later than 30 calendar days after the date of employment or volunteering.

(2) Each individual who is required to obtain the certifications and who was employed in the preschool or child care center before the effective date of this regulation shall obtain the certifications within one calendar year after the effective date of this regulation.

(3) Each individual who is required to obtain the certifications shall maintain current certifications.

(4) Each licensee shall ensure that, for each unit in a preschool or child care center, at least one staff member or volunteer counted in the staff-child ratio who has current certification in pediatric first aid and current certification in pediatric CPR is in attendance at all times.

(d) Education requirements. Each program director shall be a high school graduate or equivalent. For each unit in a preschool or child care center, there shall be in attendance at all times at least one staff member who has a high school diploma or equivalent, as required in K.A.R. 28-4-429(h).

(e) Annual in-service training requirements.

(1) Each program director shall complete annual in-service training as required in K.A.R. 28-4-428(e)(1).

(2) Each staff member counted in the staff-child ratio and each volunteer counted in the staff-child ratio shall

complete annual in-service training as required in K.A.R. 28-4-428(e)(2).

(f) Documentation. Each licensee shall ensure that documentation of all orientation, training, certifications, and education requirements is kept in each individual's file in the preschool or child care center. (Authorized by and implementing K.S.A. 2010 Supp. 65-508; effective Feb. 3, 2012.)

**28-4-440. Infant and toddler programs.** (a) Infant and toddler programs shall be conducted on the ground floor only.

(b) Each unit of infants and each unit of toddlers shall be separate from each unit of older children.

(c) Floor furnaces shall be prohibited.

(d) A sleeping area separate from the play area shall be provided for infants.

(e) A crib or playpen shall be provided for each infant in care at any one time. Cribs and playpens shall be maintained in good condition. Clean individual bedding shall be provided.

(f) Each licensee shall ensure that the following requirements are met:

(1) The use of stacking cribs, cribs with water mattresses, or bassinets shall be prohibited.

(2) Cribs and playpens shall have slats not more than 2 $\frac{3}{8}$  inches apart.

(3) All sides of each crib or playpen shall be up while the crib or playpen is in use.

(4) On and after December 28, 2012, each licensee shall ensure that no crib purchased before June 28, 2011 is in use in the facility.

(g) Each licensee shall make any necessary changes to follow the recommendations of any consumer warning or recall of a crib or a playpen as soon as the warning or recall is known.

(h) Each licensee shall develop and implement safe sleep policies and practices for infants and toddlers and shall ensure that the policies and practices are discussed with the parent or legal guardian of each child before the first day of care. The safe sleep policies and practices shall include the following requirements:

(1) Each staff member who cares for children and each volunteer who cares for children shall follow the safe sleep policies and practices of the child care center.

(2) Each staff member who cares for infants and each volunteer who cares for infants shall ensure that all of the following requirements are met:

(A) Each infant shall nap or sleep in a crib or a playpen.

(B) An infant shall not nap or sleep in the same crib or playpen as that occupied by another infant or child at the same time.

(C) If an infant falls asleep on a surface other than a crib or playpen, the infant shall be moved to a crib or playpen.

(D) Each infant shall be placed on the infant's back to nap or sleep.

(E) When an infant is able to turn over independently, the infant shall be placed on the infant's back but then shall be allowed to remain in a position preferred by the infant. Wedges or infant positioners shall not be used.

(continued)

(F) Each infant shall sleep in a crib or a playpen that is free of any soft items, which may include pillows, quilts, heavy blankets, bumpers, and toys.

(G) If a lightweight blanket is used, the blanket shall be tucked along the sides and foot of the mattress. The blanket shall not be placed higher than the infant's chest. The head of the infant shall remain uncovered. Any infant may nap or sleep in sleep clothing, including sleepers and sleep sacks, in place of a lightweight blanket.

(i) When children are awake, they shall not be left unattended in cribs or other confinement for more than 30 minutes.

(j) An adult-size rocking chair shall be provided for each unit of infants.

(k) Children not held for feeding shall have low chairs and tables, infant seats with trays, or high chairs with a wide base and a safety strap.

(l) Either individually labeled towels and washcloths or disposable products shall be provided.

(m) Items that children can place in their mouths shall be washed and sanitized daily and shall be washed and sanitized before being used by another child, if contaminated by saliva or other bodily fluids.

(n) Each licensee shall ensure that at least one staff member who meets one of the following staff requirements is present for each unit of infants and each unit of toddlers:

(1) Option 1: An individual who meets the qualifications of K.A.R. 28-4-429(b) and has at least three months' experience caring for infants and toddlers;

(2) option 2: a licensed L.P.N. or R.N. with three months' experience in pediatrics or in licensed child care centers enrolling infants and toddlers; or

(3) option 3: a child development associate credential in infant and toddler care.

(o) Each licensee shall ensure that the following program requirements are met:

(1) Daily activities shall contribute to the following:

(A) Gross and fine motor development;

(B) visual-motor coordination;

(C) language stimulation; and

(D) social and personal growth.

(2) Infants and toddlers shall spend time outdoors daily unless extreme weather conditions prevail.

(p) Each licensee shall ensure that the following food service requirements are met:

(1) The nitrate content of water for children under one year of age shall not exceed 10 milligrams per liter (10 mg/l) as nitrogen.

(2) Drinking water shall be available to each child at all times when the child is in care.

(3) Infants shall be held when bottle-fed until they can hold their own bottles.

(4) Infants and toddlers shall not be allowed to sleep with bottles in their mouths.

(5) Each bottle that contains prepared formula or breast milk shall be refrigerated with the nipple covered. The bottle shall be labeled with the child's name, the contents, and the date received and shall be used within 24 hours of the date on the label. If a child does not finish a bottle, the contents of the bottle shall be discarded. No formula or breast milk shall be heated in a microwave oven.

(6) Solid foods shall be offered when the program director and the parent or legal guardian of a child determine that the child is ready for solid foods. Opened containers of solid foods shall be labeled with child's name, the contents, and the date opened. Containers shall be covered and refrigerated. The food shall be used within three calendar days of the date opened. Food in previously opened containers shall be reheated only once and shall not be served to another child.

(q) Each licensee shall ensure that the following toileting requirements are met:

(1) Children's clothing shall be changed whenever wet or soiled.

(2) Each child shall have at least two complete changes of clothing.

(3) Handwashing facilities shall be in or adjacent to the diaper-changing area.

(4) A changing table shall be provided for each unit of infants and each unit of toddlers.

(5) Each changing table shall have an impervious, undamaged surface. Each table shall be sturdy and shall be equipped with railings or safety straps.

(6) Changing tables shall be sanitized after each use by washing with a disinfectant solution of  $\frac{1}{4}$  cup of chlorine bleach to one gallon of water or with an appropriate commercial disinfectant.

(7) Wet or soiled washable diapers or training pants shall be stored in a labeled, covered container or plastic bag and shall be returned home with the parent.

(8) Wet or soiled disposable diapers shall be placed in a covered container or plastic bag, which shall be emptied daily.

(9) There shall be one potty chair or child-sized toilet for every five toddlers. When a potty chair is used, the following requirements shall be met:

(A) Potty chairs shall be left in the toilet room.

(B) The wastes shall be disposed of immediately in a flush toilet.

(C) The container shall be sanitized after each use and shall be washed with soap and water daily.

(D) Potty chairs shall not be counted as toilets.

(10) Each individual shall wash that individual's hands after diapering, assisting a child with toileting, or changing a child's wet or soiled clothing.

(11) Changing and toileting procedures shall be posted.

(r) There shall be daily communication between the parent, parents, or legal guardian and the staff about each child's behavior and development. (Authorized by and implementing K.S.A. 2010 Supp. 65-508; effective May 1, 1983; amended May 1, 1984; amended May 1, 1985; amended May 1, 1986; amended, T-87-34, Nov. 19, 1986; amended May 1, 1987; amended Feb. 3, 2012.)

#### Article 35.—RADIATION

**28-35-600. Definitions.** In addition to the terms defined in K.S.A. 48-16a02 and amendments thereto, each of the following terms shall have the meaning assigned in this regulation: (a) "All reasonable times" means normal business hours and other times that radon services are being performed, or at a time convenient for the property owner.
