

2016 Application for Registration
Kansas Evidence-Based Public Health: A Course for Local and State Practitioners
November 14-16, 2016 in Topeka, KS

Thank you for your interest in the Kansas Evidence-Based Public Health Course. Please complete this application to be considered for course participation and return to pprokop@kdheks.gov no later than October 16, 2016. The 2016 course will take place in Topeka at the Ramada Topeka Downtown Hotel and Convention Center. While there is not a fee associated with this training, all course participants are responsible for their own travel and hotel and all other per diem expenses. Lunch will be provided two days. **Please note:** Participants will be expected to attend a series of six 30-45 minutes webinars prior to the in-person course in Topeka. Webinars will be pre-recorded and accessible via KS-TRAIN in mid-October. Registered participants will be notified once webinars are available for viewing.

The following questions are intended to gain more information about you as a potential course participant. In the event that more applications are submitted than the facilities will accommodate, course faculty will use your responses to guide selection of the 2016 participants. Expect to receive a confirmation of receipt of your application within 24 hours of submission. Please direct questions to Cynthia Snyder, csnyder@kdheks.gov 785-296-2923. We look forward to receiving your application!

Applicant Name: _____

Employer Name: _____

Address: _____

Phone: _____

Email: _____

1. Do you work for the state health department or a local health department? If not, what type of agency or organization do you work for? How long have you been employed at the health department/agency/organization?

2. What is your program area (e.g. diabetes, healthy aging, tobacco, infectious disease, etc.)? If you work in more than one program area, please explain.

3. What is your role in the program (e.g. manager, epidemiologist, health educator, etc.)? How long have you been in this position?
