

unified school districts that operate a licensed child care facility, will be required to submit a nonrefundable fee for each individual required to complete a fingerprint-based background check.

The time period between the publication of this notice and the scheduled hearing constitutes a 60-day public comment period for the purpose of receiving written public comments on the proposed regulation. All interested parties may submit written comments prior to 5:00 p.m. on the day of the hearing to Mary Murphy, Kansas Department of Health and Environment, Bureau of Family Health, Administration and Policy, 1000 SW Jackson, Suite 200, Topeka, KS 66612-1274, by email to Mary.Murphy@ks.gov, or by fax to 785-559-4244. During the hearing, all interested parties will be given a reasonable opportunity to present their views orally on the proposed regulation as well as an opportunity to submit their written comments. In order to give each individual an opportunity to present their views, it may be necessary for the hearing officer to request that each presenter limit an oral presentation to an appropriate time frame.

Complete copies of the proposed regulation and the corresponding economic impact statement may be obtained from the KDHE Child Care Licensing website, at <http://www.kdheks.gov/bcclr/index.html> or by contacting Mary Murphy at Mary.Murphy@ks.gov, 785-296-1270, or fax 785-559-4244. Questions pertaining to the proposed regulation should be directed to Mary Murphy at the contact information above.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and the economic impact statement in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Mary Murphy.

Notice of Hearing on Proposed Administrative Regulation

The Kansas Department of Health and Environment (KDHE), Division of Public Health, Bureau of Family Health, will conduct a public hearing at 9:00 a.m. Wednesday, October 24, 2018, in the Azure Conference Room, fourth floor, Curtis State Office Building, 1000 SW Jackson, Topeka, Kansas, to consider the adoption of proposed amended maternal and child health regulation K.A.R. 28-4-503.

A summary of the proposed amended regulation and estimated economic impact follows:

Summary of Regulation:

K.A.R. 28-4-503. Timing of specimen collections. This amended regulation aligns the Kansas Newborn Screening Program with national standards for newborn screening timeliness and provides the earlier specimen collection

timeframe during which a newborn screening specimen must be collected. Amendments specify the required specimen collection for an infant requiring a blood transfusion, for infants who require transfer to another institution, and for infants born outside of an institution.

Economic Impact:

Cost to the agency: There is no added cost to the agency associated with the amendments to this regulation that only change the required timeframe for specimen collection.

Cost to institutions: There is no added cost to institutions or others collecting specimens in the timeframe required by the amendments to this regulation.

Costs to other governmental agencies or units: The amendments to this regulation will not result in added costs to other government agencies.

The time period between the publication of this notice and the scheduled hearing constitutes a 60-day public comment period for the purpose of receiving written public comments on the proposed regulation. All interested parties may submit written comments prior to 5:00 p.m. on the day of the hearing to Shawn Manos, Newborn Screening Program Coordinator, Special Health Services, Bureau of Family Health, Kansas Department of Health and Environment, 1000 SW Jackson, Suite 220, Topeka, KS 66612-1274, by email to Shawn.M.Manos@ks.gov, or by fax to 785-559-4245. During the hearing, all interested parties will be given a reasonable opportunity to present their views orally on the proposed regulation as well as an opportunity to submit their written comments. In order to give each individual an opportunity to present their views, it may be necessary for the hearing officer to request that each presenter limit an oral presentation to an appropriate time frame.

Complete copies of the proposed regulation and the corresponding economic impact statement may be obtained from the KDHE newborn screening website, at http://www.kdheks.gov/newborn_screening/index.html or by contacting Shawn Manos at Shawn.M.Manos@ks.gov, 785-291-3363, or fax 785-559-4245. Questions pertaining to the proposed regulation should be directed to Shawn Manos at the contact information above.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and the economic impact statement in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Shawn Manos.

Notice of Hearing on Proposed Administrative Regulation

The Kansas Department of Health and Environment (KDHE), Division of Public Health, Bureau of Health Promotion, will conduct a public hearing at 10:00 a.m.

Wednesday, October 24, 2018, in the Azure Conference Room, fourth floor, Curtis State Office Building, 1000 SW Jackson, Topeka, Kansas, to consider the adoption of proposed amended cancer registry reporting requirements regulation K.A.R. 28-70-2.

A summary of the proposed amended regulation and estimated economic impact follows:

Summary of Regulation:

K.A.R. 28-70-2. Reporting requirements. This amended regulation specifies the cancer screening data for collection and the requirements for reporting when and by what method cancer screening data is to be reported to the Kansas Cancer Registry. The proposed amendments add two types of cancer screening data to be collected and clarify the method of electronic data transfer to the Kansas Cancer Registry. The proposed amendments comply with the national standards from the Centers for Disease Control and Prevention and the National Cancer Institute in regard to routine cancer screenings that provide the opportunity to identify cancers in early stages or before cancers become malignant. The long-term impact of having cancer screening data is to reduce screenable cancers and prolong survivorship.

Economic Impact:

Cost to the agency: There is no additional cost to the agency associated with the amendments to this regulation regarding data collection and reporting.

Cost to reporting parties: There is no additional cost to reporting parties.

Costs to other governmental agencies or units: The amendments to this regulation will not result in additional costs to other government agencies.

The time period between the publication of this notice and the scheduled hearing constitutes a 60-day public

comment period for the purpose of receiving written public comments on the proposed regulation. All interested parties may submit written comments prior to 5:00 p.m. on the day of the hearing to Julie Sergeant, Cancer Prevention and Control Program, Bureau of Health Promotion, Kansas Department of Health and Environment, 1000 SW Jackson, Suite 230, Topeka, KS 66612-1274, by email to julie.sergeant@ks.gov, or by fax to 785-559-4234. During the hearing, all interested parties will be given a reasonable opportunity to present their views orally on the proposed regulation as well as an opportunity to submit their written comments. In order to give each individual an opportunity to present their views, it may be necessary for the hearing officer to request that each presenter limit an oral presentation to an appropriate time frame.

Complete copies of the proposed regulation and the corresponding economic impact statement may be obtained from the KDHE Bureau of Health Promotion website, at <http://www.kdheks.gov/bhp/index.html> or by contacting julie.sergeant@ks.gov, 785-296-5868, or fax 785-559-4234. Questions pertaining to the proposed regulation should be directed to Julie Sergeant at the contact information above.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and the economic impact statement in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Julie Sergeant.
