Kansas Department of Health & Environment inspects Prairie Spirit Rail-Trail Toxic Dump Site.

The truth about the toxic waste dump along the Prairie Spirit rail-trail has been verified. A representative of the Kansas Department of Health and Environment inspected the site Friday, April 25th. There were photos taken by the H & E inspector, and myself. Another adjacent property owner was present also. H & E surveyed the exposed storage batteries on the Prairie Spirit rail-trail right-of-way. The representative stated that W & P region 5 director Ed Alvis would be contacted and if his office didn't act to correct the
