Family Planning Informed Consent

I, _____, hereby give my consent to,

_____, hereafter referred to as the Clinic, to obtain a health history, secure laboratory services, and perform a physical examination for me as may be necessary.

- The Clinic may test for sexually transmitted diseases—including but not restricted to Chlamydia, gonorrhea, syphilis, and HIV. I understand that positive test results may warrant confidential follow-up by a public health worker.
- I understand that, if I require care beyond the scope of this Clinic, I will be referred to a health care provider of my choice.
- I understand that my health information and visits to the Clinic are confidential pursuant to state and federal law, and my case will not be discussed with anyone outside the Clinic unless I give my written permission to do so, except as necessary to provide services or required by law.

I have read this form, understand the information in it, have had all my questions answered to my satisfaction and I am voluntarily signing this consent to receive the services provided by this Clinic.

In the event of a health emergency, I authorize the Clinic to contact:

ASSURANCE OF CONFIDENTIALITY

This medical record is confidential and will not be released to anyone without your written consent, except as may be required by law.

To the best of my knowledge, the above history is accurate and complete. Educational information has been given to me as indicated above. I have been given the opportunity to ask questions. If I am 18 years old or younger, I have been strongly encouraged to discuss my family planning needs with my parents. If I use tobacco, I have been given information and understand the health risk of using tobacco. I have been told that if tests are taken for sexually transmitted infections (STIs), reporting of positive results to public health agencies is required by law. I understand that the Nebraska Health and Human Services may access my medical record to determine the quality of services provided by this agency.

CONSENT TO TREATMENT: I hereby consent to examination, consultation, and treatment at this clinic.
