

## **Women, Infant and Children (WIC)/Immunization Collaboration Project (ICP)**

### **Funding**

- a. Availability - Grant awards will be distributed on SFY 2014 Aid to Local Appropriations. This is not a competitive application opportunity. Applications for funding are solicited from Cherokee, Finney, Ford, Saline, Seward, Sedgwick Shawnee and Wyandotte LHDs. Awards will be made with available funding from the State General Fund (up to \$200,000) and the federal Centers for Disease Control and Prevention Immunization Grant (up to \$165,000).
- b. At this time, a match is not required for the WIC Collaboration Project Grant.
- c. Funds may not be used to supplant or replace existing agency funding sources.
- d. Funds may not be used for license/maintenance fees for systems for immunization information documentation

### **Specific Program Information**

- a. Application--Follow the KDHE "SFY 2014 Grant Application Guidance," and complete the Program Request and Detailed Budget forms.

**SFY 2014 Objectives** – Grantee will demonstrate accomplishment of the following objectives to increase immunization coverage for children participating in the WIC Program

#### Objectives

- (1) Appropriate WIC staff will be trained to assess immunization records.  
Document staff education regarding immunization practices via one or more of the following activities:
  - a. Immunization Program annual conference
  - b. CDC webcasts or other immunization related educational offerings
- (2) Offer immunization services during WIC voucher pickup
- (3) Document number of parent reminders sent
- (4) Document number of immunization referrals made to child's medical home or LHD
- (5) Electronically document immunization records for WIC clients in (KSWebIZ) by either direct data entry or via electronic interface with (PHClinic or NetSmart Insight)

#### Priorities

- (1) Applications will be solicited from targeted counties.
- (2) Applications will be considered for funding based on implementation of strategies and completion of objectives for the previous project period.
