

## Transcript – Kids

### 30 Second PSA – Seasonal Flu

**Boy:** Who needs the flu vaccine? You. I don't want to get behind in school.

**Girl:** And I'm involved in a lot of sports.

**Both:** So we both got vaccinated.

**Girl:** I do a lot of babysitting so I didn't want to get those kids sick.

**Boy:** It's important for kids to protect themselves, their friends and their families.

**Girl:** I'd rather hang out with you than get the flu.

**Both:** The flu ends with you!

**Narrator:** Stay healthy. Get vaccinated. A message from the Kansas Department of Health and Environment.
