30 Second PSA – Seasonal Flu

Girl 1: Who needs the flu vaccine?

Girl 2: You!

Girl 1: Some people have a really high risk of complications, even death, from the flu.

Girl 2: I don't want to get it from her.

Girl 1: And I definitely don't want to get it from you.

Girl 2: I'm telling all my friends to get the flu vaccine. [holding cell phone]

Girl 1: It's really important that we all protect each other. That's why I got the flu vaccination.

Both: The flu ends with you!

Narrator: Stay healthy. Get vaccinated. A message from the Kansas Department of Health and Environment.
