TRAINING EVENTS – WEDNESDAY, SEPTEMBER 10, 2014 (FREE)

Kansas On-line Automated Reporting (KOLAR) of WWC-5 Forms. (1:00-3:00 PM)
For a water well contractor who may be apprehensive about signing up for KOLAR, **NOW** is the time to attend the two hour training course being offered on Wednesday, September 10. There will be a step by step presentation on how to register for KOLAR and how to fill out the online WWC-5 form. Using KOLAR is quick and convenient in that it is easy to follow and will catch any mistakes that you can then correct. Richard Harper will be present to answer questions you may have about using KOLAR. Deb Biester and Richard will assist you with the KOLAR registration process. You will receive two credit hours for attending this training session.

UIC Class I Disposal Wells. (3:00-5:00 PM)
Do you want to know more about the UIC Program and Class I industrial wastewater disposal well, or a better understanding of the program? Then this training session is for you. Topics that will be covered include program history, permit applications, permitting, well design, testing, monitoring and reporting. You will receive two credit hours for attending this training session.
