SUBJECT: Direct Bill Open Enrollment 2014 Report

The Direct Bill open enrollment for retirees was held from November 1 through November 30, 2013. The Direct Bill call center staff conducted twenty five (25) Direct Bill open enrollment meetings at twelve (12) locations throughout the state and eight (8) webinars. Staff estimates that approximately 1,400 retirees attended these meetings.

This was the third year for retirees to use an online open enrollment system. Those members who elected to make no health plan enrollment changes did not need to take any action, as their current election will roll forward for Plan Year 2014.

Final enrollment numbers as of February 1, 2014, for Direct Bill:
