**FROM:** Mike Michael

**DATE:** September 11, 2013

**SUBJECT:** **2013 Requests for Proposals**

The following Requests for Proposals (RFPs) have been released:

- Tobacco Cessation Program – The State Employee Health Plan (SEHP) partnered with the State’s tobacco quit line to issue an RFP for tobacco cessation services. This bid is being handled by the Kansas Department of Health and Environment (KDHE) Public Health Division but includes the services outlined by SEHP as needed for the current HealthQuest Tobacco cessation program. KDHE is currently reviewing the bids received in response to this RFP and SEHP has provided them with our feedback.
- Transparency Tools – The SEHP has submitted the RFP for employee transparency tools to assist employees in making health care purchasing decisions for posting on the Division of Purchasing’s website. The RFP should post in the near future.
