FROM: Mike Michael

DATE: November 22, 2013

SUBJECT: RFP Update

The final Request for Proposal (RFP) for 2013 to obtain web based transparency tools to assist employees in making health care purchasing decisions has closed and vendor responses are currently being reviewed by staff.

The following two contracts will expire on December 31, 2014.

- Medical Administrative Services Only Contracts
- Preferred Lab Services Contracts

We will also be requesting a contract for audit services during the 2014 RFP cycle and staff is working to prepare the RFPs for all these services.
