**CONGRATULATIONS! YOU HAVE COMPLETED THE REQUIREMENTS
FOR THE 2012 NON-TOBACCO USE PREMIUM DISCOUNT**

Dear <First Name>,

Congratulations on your completion of the Quit For Life® tobacco cessation program offered through HealthQuest. You will continue to receive the non-tobacco use premium discount for the remainder of Plan Year 2012.

Additionally, you will receive 10 credits toward the 20 required credits for the Plan Year 2013 premium discount outlined in the new HealthQuest Rewards Program at www.kdheks.gov/hcf/healthquest/rewards.html

You are welcome to continue to call in for unlimited support from a Quit Coach to maintain your quit status or to continue working toward becoming tobacco free. Quit Coaches are available from 6 a.m. to 2 a.m., 7 days a week to help you when you need it.

The Quit For Life® program will follow up with a brief telephone survey to ask you questions about your quit status and satisfaction with the program. Although the survey is optional, please complete this call to provide us with your valuable feedback.

Congratulations again on the successful completion of the Quit For Life® tobacco cessation program. Your efforts to become tobacco free are an important step in your personal HealthQuest journey!
