

SUITED FOR EACH OTHER

Even if you've found your perfect match, a relationship still requires work. Your Employee Assistance Program can provide the expert resources, support and information to strengthen your personal and professional relationships, and help you create new ones. Call toll-free or go online anytime for free and confidential assistance on these and other relationship topics:

- › The value of communication
- › Learning how to compromise
- › How face-to-face counseling can improve existing relationships
