## Skip Sleepless Nights With No Donut Hole or Premium Increase

Take a closer look at the standalone Aetna prescription drug plan (PDP).

The First Health prescription drug plan that State of Kansas retirees know and love now has the strength of Aetna behind it. And it'll continue to deliver quality drug coverage to retirees. This new member of the Aetna family of plans can be purchased with Aetna's standalone Medicare Advantage plan or paired with a supplement plan offered by the State of Kansas.

- **No donut hole** to worry about
- **No premium increase** to upset your budget
- **No change** in tier structure for copays
- **National pharmacy network** to fill prescriptions throughout the US

This PDP plan delivers a high level of coverage, regardless of your prescription drug needs. It offers the security of donut hole coverage for a greater level of protection from higher prescription drug costs that most prescription drugs plans don't offer! (Formulary changes can occur.)
