### CHOOSING YOUR HEALTH PLAN:

#### Plan A or Plan C High Deductible Health Plan

**You have access to both health plans regardless of where you live.**

You have choices when it comes to your health care coverage. Choosing the appropriate health plan for you and your family may be easier than you think!

**The State Employee Health Plan offers two health plan options:**

- Plan A
- Plan C High Deductible Health Plan

**Please review the Health Plan Comparison Chart at the back of this book to see the differences in the deductible, coinsurance and out-of-pocket maximums for Plans A and C.**

Each option is designed differently (for example, deductibles, coinsurance and annual maximums) and each health plan vendor offers unique features. Be sure to consider these features before making your selection.

**There are two health plan vendors:**

- Aetna
- Blue Cross and Blue Shield of Kansas

Each health plan vendor has a unique network of contracting providers. Since network providers agree to accept the plan allowance as payment in full, using network providers saves you money! Non network providers have not agreed to accept the plan allowance, so in addition to your required out-of-pocket, any amount above the plan allowance will be your responsibility.

Provider directories are listed on each vendor page on our website - [www.kdheks.gov/hcf/sehp/default.htm](http://www.kdheks.gov/hcf/sehp/default.htm)

#### Both Vendors offer the following:

- Access to a broad network of providers nationwide which allows you flexibility in obtaining care with coverage for both network and non network providers.
- 100 percent coverage for certain preventive care services, such as an annual preventive exam, colonoscopy, mammograms and age-appropriate immunizations (including flu shots).
- Policies have no lifetime maximum.

- Prescription drug coverage through Caremark. See page 12 for details.
- A Preferred Lab Benefit program available through either Quest Diagnostics or Stormont-Vail HealthCare.

## Plan C High Deductible Health Plan

### Plan C has a few differences including:

- Premiums for coverage are lower than those for Plan A.
- Most covered services are subject to the deductible. See the Health Plan Comparison Chart included with this booklet to see the deductibles and out-of-pocket costs.
- The Plan C Caremark Preferred Drug List is the same as Plan A's Preferred Drug List. With Plan C, prescription drug purchases are subject to the deductible. Network claims for prescription drugs purchased after the deductible has been satisfied will be covered at 100% if eligible under the pharmacy benefit.

## BEFORE YOU ENROLL

- **Become familiar with your options.** For information on the health plans, vendors and more, review this booklet which includes the *Health Plan Comparison Chart* in the back, or go to our website - [www.kdheks.gov/hcf/sehp/default.htm](http://www.kdheks.gov/hcf/sehp/default.htm)
- **If you are thinking about changing your medical vendor** be sure your doctors and hospital participate with the new vendor you select for Plan Year 2016. Both medical vendors, Aetna and BCBS of Kansas, have unique provider networks. Provider directories are listed on each vendor's page.
- **If you are adding dependents to your plan** and have **not** previously submitted the required documentation (such as a birth certificate or marriage license) to Membership Services, you will need to upload the documentation (an electronic version like a pdf) when you enroll online. Other pieces of information needed for each new dependent are the dependent's full name, Social Security number, gender and date of birth.

### QUESTIONS?

- **Contact the vendor.** Toll free customer service numbers are listed on the inside cover of this booklet.
- **Visit our website** - [www.kdheks.gov/hcf/sehp/default.htm](http://www.kdheks.gov/hcf/sehp/default.htm)
- **Send an e-mail** to [benefits@kdheks.gov](mailto:benefits@kdheks.gov)

**Pending Elections Statements** will be automatically sent to the e-mail address you register with online when you make your election choices and can be viewed in MAP. This statement is not a final notification of your elections. Once your elections have been reviewed and approved by the SEHP after open enrollment has ended, you may view your final elections in MAP.

## ENROLLING FOR HEALTH CARE BENEFITS

**The Annual Open Enrollment Period is October 1 through October 31.** Your benefit elections become effective January 1 of the following year. Unless you experience a “qualifying event” during the plan year, your decisions are binding until the next annual open enrollment period.

Qualifying events include life-altering events such as the birth or adoption of a child, marriage, divorce, death of a spouse or a dependent, or gain or loss of employment and benefits for a spouse or a dependent.

**Changing Your Coverage** - Health plan changes due to a qualifying event during the plan year must be consistent with the event. The change must be made in the Membership Administration Portal (MAP) within 31 days of the event in order for the change to be effective the first day of the month following the event. If the event takes place on the first day of the month, the effective date will be that day. **Note:** If the change is not completed within this 31-day period, it will need to be requested during the next open enrollment period.

### Who Can Be Covered

In addition to covering yourself, you also can elect coverage for your eligible dependents. Your eligible dependents include:

- Your lawful spouse.
- Your child(ren) or stepchild(ren). To be covered under your health plan, your child(ren) or stepchild(ren) must be under the age of 26.

**If you are adding dependents to your plan** and have not previously submitted the required documentation (such as a birth certificate or marriage license) to Membership Services, you will need to upload the documentation (an electronic version like a pdf) when you enroll online. Other pieces of information needed for each new dependent are the dependent’s full name, Social Security number, gender and date of birth.

During the open enrollment period, the required documentation must be submitted online in the Membership Administration Portal (MAP). If dependent documentation is not received, the dependent(s) will not be enrolled in the health plan effective January 1, 2016.

## Prescription Drug Plan

Prescription drug coverage is provided through Caremark for Plans A and C, and its cost is included in the health plan rates. While the Preferred Drug List (PDL) is the same for both plans, the amount you pay will vary depending on the plan you select as explained below.

- **Plan A.** Under this plan, generally you pay a coinsurance for your prescription drug costs throughout the year, up to a combined medical and pharmacy coinsurance maximum of \$4,750 for single and \$9,500 for member with dependent coverage per year.
- **Plan C.** Until you reach the deductible, you will pay 100% of the discounted cost for your prescriptions when you present your Caremark ID card. Once you have reached your annual health plan deductible, covered prescriptions are paid in full by the plan when a network pharmacy is used. Remember, you can use the funds in your HSA or HRA to help pay for prescription costs applied to the deductible.

Regardless of which plan you elect, your out-of-pocket costs will be lower if you use generic and/or preferred brand name drugs. The PDL is available at either: [www.kdheks.gov/hcf/sehp/Caremark.htm](http://www.kdheks.gov/hcf/sehp/Caremark.htm) or [www.caremark.com](http://www.caremark.com)

You can also call Caremark at 800-294-6324 for help finding a preferred drug. A number of popular name brand drugs are projected to be available in generic versions during 2016. This list is also on the website.

Before talking to your physician about prescriptions, it is suggested that you print out the Preferred Drug List (PDL) from the website and take it to any appointments so you can discuss your options. The Caremark plan is designed to encourage you and your health care provider to choose the most cost-effective and clinically-effective medications available. Home delivery is available through Caremark and reorders are processed in as little as five to seven days. To place an initial order or reorder by phone, call 1-800-294-6324 or e-mail [online@caremark.com](mailto:online@caremark.com)

Specialty and biotech drugs are designed for difficult conditions that don't respond to traditional therapy. A complete list of Specialty Drugs is available at [www.kdheks.gov/hcf/sehp/Caremark.htm](http://www.kdheks.gov/hcf/sehp/Caremark.htm) These drugs are available only through the Caremark Connect Specialty Pharmacy. Contact Caremark Connect at 1-800-237-2767. A Caremark representative will coordinate patient care with the provider and arrange for medication delivery.

For more information, go to [www.kdheks.gov/hcf/sehp/Caremark.htm](http://www.kdheks.gov/hcf/sehp/Caremark.htm)

## Dental Plan

Any dependents enrolled in dental coverage must be enrolled in medical coverage. Dependent dental coverage may not be dropped during the plan year unless dependent medical coverage is also dropped.

You have access to two Delta Dental provider networks.

**Delta Dental Premier Network** - Delta Premier Dentists agree to accept the plan allowance as payment in full. You will be responsible for paying only the specific coinsurance and deductibles for covered services in addition to any services not covered.

**Delta Dental PPO Network** - The PPO network providers have agreed to a reduced fee for providing dental services. As a result, you generally pay a lower percentage of the total bill than you would when using a Premier (or Non Network) Provider. The PPO network for our group includes all PPO providers in the national DeltaUSA PPO network. Participants have the option to use the PPO providers whenever desired.

See page 20 for Basic and Enhanced Coverage information.

For more details on Delta Dental Benefits, go to [www.kdheks.gov/hcf/sehp/Delta.htm](http://www.kdheks.gov/hcf/sehp/Delta.htm)

**New for 2016**, you will be offered two vision plans through *Surency Life and Health*, a Kansas-based company wholly owned by our dental carrier, Delta Dental of Kansas. See page 21 for details on the plans.

Surency partners with *EyeMed Vision Care* for your vision care provider network. Surency's *Insight* network of providers offers you the choice of independent providers or retail providers, such as *LensCrafters, Target, Sears and Walmart* to name a few. There are more than 700 providers at more than 200 locations for you to utilize. You may search for a provider near you at: [www.surency.com/stateofkansas](http://www.surency.com/stateofkansas).

Through Surency, you have access to their many value-added benefits which help you save money all year long. These include *Glasses.com* and *ContactsDirect.com* where you may access and use your benefits in their on-line superstores that offer a wide variety of the world's leading brands of frames and lenses.

Surency members may also receive a 40% discount for additional purchases of complete pairs of eyeglasses when using a participating EyeMed provider. Check with the Surency State of Kansas Insight Network to make sure that your provider is participating in the additional discounts provided. With the Sunperks discount plan, you'll receive a \$50 discount at any Sunglass Hut (no minimum purchase necessary). More information on these plans and other value added benefits can be found at: [www.surency.com/stateofkansas](http://www.surency.com/stateofkansas)

## Preferred Lab Benefit Available with Plans A and C

**For Plan A:** Present your State Employee Health Plan ID card identifying your membership. When you use a participating laboratory, either Quest Diagnostics or Stormont-Vail/Cotton-O'Neil, for outpatient non emergency testing that is covered and approved by your health benefit plan, you pay **no** deductibles, copays or coinsurance.

**For Plan C:** Plan C members are eligible to participate in the Preferred Lab Program which offers you and your covered dependents discounted pricing on covered **outpatient** laboratory testing, when the testing is performed by Quest Diagnostics or Stormont -Vail/Cotton-O'Neil laboratories. All of your services (except preventive care) are subject to your deductible first. **Note:** You may pay these claims with your Health Savings Account dollars.

If your doctor doesn't use Quest Diagnostics or you are not a Cotton-O'Neil patient, bring the lab orders from your doctor to one of the locations provided by Quest Diagnostics or Stormont-Vail/Cotton-O'Neil to have the lab work done and receive either benefit.

Lab Card

**Quest Diagnostics** offers collection sites at various locations throughout the State of Kansas and nationwide. Also, you can arrange to have specimens picked up from your doctor's office. All it takes is a telephone call to the number on the back of your Quest ID card.

**Stormont-Vail/Cotton-O'Neil** offers 9 locations in northeast Kansas for all State Employee Health Plan members. You do not have to be a Cotton-O'Neil patient to access this benefit. Lab orders from your physician are required.

**PLEASE REMEMBER:** You must verbally request to use your Preferred Lab Benefit.

### The Preferred Lab Benefit Program does NOT cover:

- Testing ordered during hospitalization
- Lab work needed on an emergency or STAT basis
- Testing done at any other laboratory
- Non-Laboratory work such as mammography, x-rays, imaging and dental work
- Time-sensitive, esoteric testing such as fertility testing, bone marrow studies and spinal fluid tests
- Testing not approved and/or covered by the State of Kansas Plans A or C
- Lab work billed to your health plan by your doctor or another laboratory

**The Preferred Lab Benefit is completely voluntary.** If you and your health care provider choose to use a lab other than those provided by either Quest Diagnostics or Stormont-Vail HealthCare you still have laboratory coverage. However, you will be responsible for any deductible, copayments or coinsurance applied by the health plan.

For details, go to [www.kdheks.gov/hcf/sehp/PreferredLab.htm](http://www.kdheks.gov/hcf/sehp/PreferredLab.htm)
