

LEAD ABATEMENT SUPERVISORS:

March 25, 2007

Lead Abatement Supervisors have successfully completed an accredited training program and when employed by a properly licensed lead activity firm are certified to supervise lead abatement workers during lead abatement activities and prepare occupant protection plans and post abatement reports.

NOTE: Listing in this directory does not imply that the employer is a licensed abatement firm! Always verify that a supervisor is employed by a licensed abatement firm prior to beginning any abatement activity. Contact lead@kdhe.state.ks.us or 1-866-865-3233 for more details.
