**Taran:** I was three when my mom left. She got hooked on meth.

**Super:** These are real people.  
Not actors.

**Taran:** My grandparents took care of me...while my mom tried to get help. She's a good person. Actually...she's an amazing person. She's here...

And she's been clean for six years today.  
Surprise!  
Happy anniversary, Mom. I love you.

**Super:** Robin.
