SANITARY CODE  
JEWELL COUNTY, KANSAS

CHAPTER 1

ADMINISTRATIVE PROCEDURES

SECTION 1-1.0 AUTHORITY AND POLICY

1-1.1 Legal Authority. This code is adopted under the authority granted to the Board of County Commissioners by K.S.A. 19-3701 et. seq. or K.S.A 12-3301 et. seq., as amended.

1-1.2 Declaration of Finding and Policy. The Commissioners find that the provision of adequate and reasonable control over environmental conditions in the county is necessary and desirable. A sanitary code establishes standards to eliminate and/or prevent the development of environmental conditions that are hazardous to health and safety, and promotes the economical and planned development of the land and water resources of the county. For these reasons and objectives, it will be the policy of the Board of County Commissioners to adopt, and amend when necessary, an sanitary code to provide regulation of practices that affect health and safety.

APPROVED  
Kansas Department of Health  
and Environment

Oct 12, 1992  
Date

- 1-1.3 Purpose. The purpose and intent of this chapter is to prescribe the administrative procedures to be followed in administering this sanitary code or any amendments thereto; and to prescribe rules and regulations for controlling practices to minimize health and safety hazards.
- 1-1.4 Title. This code shall be known and referred to as the Jewell County Sanitary Code.
- 1-1.5 Applicability. The procedures prescribed in this chapter shall be followed in administering this code and any amendments thereto.
- 1-1.6 Effective Date. This code shall become effective \_\_\_\_\_.

SECTION 1-2.0 DEFINITIONS

The following words, terms and phrases appear in more than one chapter of this code and thus have general application and usage. Words, terms, and phrases appropriate or applicable to specific chapters within this code may be found in that particular chapter.

- 1-2.1 Administrative Agency means the entity authorized to implement the provisions of this code.
- 1-2.1.1 The Administrative Agency for Jewell County is designated as the Jewell County Health Department.

APPROVED  
Kansas Department of Health  
and Environment

Oct 12, 1992  
Date

- 1-2.2 Administrative Rules means those rules and regulations contained in chapter one of this sanitary code which prescribe general procedures to be followed in the administration of the sanitary code adopted by the county.
- 1-2.3 Authorized Representative means any person who is designated by the Administrative Agency to administer this code.
- 1-2.4 Board of County Commissioners means the Board of County Commissioners of Jewell County, Kansas.
- 1-2.5 Board of Health means the Jewell County Board of Health.
- 1-2.6 Hearing Officer means an individual, appointed by the Administrative Agency, to hear appeals from decisions relating to the administration of this code.
- 1-2.7 Person means an individual, corporation, partnership, association, state, or political subdivision thereof, federal, state agency, municipality, commission, or interstate body or other legal entity recognized by law as the subject of rights and duties.
- 1-2.8 Premise means any lot or tract of land and all buildings, structures, or facilities located thereon.
- 1-2.9 State Department means the Kansas Department of

APPROVED  
Kansas Department of Health  
and Environment

Oct 12, 1992  
Date

Health and Environment.

1-2.10 Subdivision means any tract of land that is or has been subdivided into two or more lots for the purpose of sale or building development, whether immediate or future, including the streets, alleys or other portions thereof intended to be dedicated for public use; and any re-subdivision of lands or lots.

SECTION 1-3.0 ADMINISTRATIVE POWERS AND PROCEDURES

1-3.1 Right of Entry. Representatives of the Administrative Agency shall have the power and authority to inspect premises for compliance with the Jewell County Sanitary Code.

1-3.2 Permit and License.

1-3.2.1 Applications for Permits and Licenses. Every person required by this sanitary code to obtain a permit or license shall make application for such permit or license to the Administrative Agency.

1-3.2.2 Issuance of Permit or License. After receipt of an application as required by this code, the Administrative Agency shall begin such investigation as deemed necessary to determine whether the permit or license should be issued or denied, and shall issue or deny the permit or license within 30 days of such receipt. If the

APPROVED  
Kansas Department of Health  
and Environment

Oct 12, 1992  
Date

permit or license is denied, the Administrative Agency shall send the applicant a written notice and state the reasons for rejection.

1-3.2.3 Permit Nontransferable. No permit or license required by this sanitary code shall be transferable, nor shall any fees required and paid therefor be refundable.

1-3.2.4 Permit Revocation. All permits are subject to revocation for reasons of noncompliance or misrepresentation.

1-3.2.5 Standard Fees. The Administrative Agency shall establish a schedule of fees for all permits and licenses required by the code, and said fees shall be paid into the Administrative Agency. The Administrative Agency shall not process any application for a permit or license until the required fee has been paid. (K.S.A. 19-3702.)

1-3.3 Notices, Orders, Appeals.

1-3.3.1 Notice of Violations. When the Administrative Agency determines that there has been a violation of any provision of this code, notice of such violation shall be issued to the person responsible. The notice shall:

(1) be in writing;

APPROVED  
Kansas Department of Health  
and Environment

OCT 12, 1992  
Date

- (2) include a statement of why the notice is being issued;
- (3) allow a reasonable period of time for performance of any work required by the notice; and,
- (4) be properly served upon the responsible person.

Such notice shall be deemed properly served when a copy has been sent by registered mail to the last known address of the owner or agent.

1-3.3.2 Appeal for Hearing. Any person aggrieved by any notice or order issued by the Administrative Agency under the provisions of this sanitary code may request, and shall be granted, a hearing on the matter before the Hearing Officer; provided such person shall file with the Administrative Agency, within ten working days after the date of issuance of the notice or order, a written petition requesting a hearing and setting forth the grounds upon which the request is made. The filing of the request for a hearing shall operate as a stay of the notice or order. Upon receipt of such petition, the Administrative Agency shall confer with the Hearing Officer and set a time and place for such hearing and shall give the petitioner

APPROVED  
Kansas Department of Health  
and Environment

OCT 12, 1992  
Date

written notice thereof. At such hearing, the petitioner shall be given an opportunity to show why such notice or order should be modified or withdrawn. The hearing shall be commenced no later than ten working days after the date on which the petition was filed; provided, that upon request of the petitioner, the Administrative Agency may postpone the hearing for a reasonable time beyond such ten-day period, when in the Agency's judgement the petitioner has submitted justifiable reason for such postponement.

1-3.3.3 Report of Hearing. Within ten working days after such a hearing, the Hearing Officer shall submit the findings of the hearing in writing to the Administrative Agency. The findings shall include a recommendation that the order be sustained, modified, or withdrawn. Upon the receipt of the report of the Hearing Officer, the Administrative Agency shall consider the report and issue an order confirming, modifying or withdrawing the notice or order, and shall notify the appellant in the same manner as is provided for in Sec. 1-3.3.1.

1-3.3.4 Emergency Orders. Whenever the Administrative Agency finds that an emergency exists which

APPROVED  
Kansas Department of Health  
and Environment

Oct 12, 1992  
Date

requires immediate action to protect the public, the Administrative Agency may issue an order reciting the existence of such an emergency, and specifying action to be taken to meet the emergency. Such an order shall be effective immediately. Any person to whom such an order is directed shall comply therewith immediately.

1-3.4 Records.

1-3.4.1 Permit Applications. Applications for permits or licenses required by this code shall be managed by the Administrative Agency.

1-3.4.2 Official Actions. A written record of all official actions taken on applications for permits and licenses required by this sanitary code shall be managed by Administrative Agency.

1-3.4.3 Proceedings of Hearings. The proceedings of all hearings, including findings and decisions of the Hearing Officer, and a copy of every notice and order related thereto shall be filed with the Administrative Agency. Transcripts of the proceedings of hearings need not be transcribed unless a judicial review of the decision is sought.

1-3.5 General Provisions.

1-3.5.1 Enforcement Procedure. The County Attorney or County Counselor shall enforce the provisions of

APPROVED  
Kansas Department of Health  
and Environment

Oct 12, 1992  
Date

this code and other environmental codes adopted by the county and is hereby authorized and directed to file appropriate actions for such enforcement, upon request of the Administrative Agency. Actions of injunction, mandamus, and quo warranto may be utilized for enforcement of these codes and shall be governed by the provisions of the Kansas Code of Civil Procedure.

1-3.5.2 Penalties. In addition to, and independently of, the enforcement procedures provided in section 1-3.5.1, any violation of any provision of an sanitary code shall be deemed to be a misdemeanor and upon conviction, shall be punishable by a fine not to exceed two hundred dollars (\$200) for each offense. Each day's violation shall constitute a separate offense. (K.S.A. 19-3707.)

1-3.5.3 Disclaimer of Liability. This code and other sanitary codes adopted shall not be construed or interpreted as imposing upon the county or its officials or employees (1) any liability or responsibility for damages to any property, or (2) any warranty that any system, installation or portion thereof that is constructed or repaired under permits and inspections required

APPROVED  
Kansas Department of Health  
and Environment

Oct 12, 1992  
Date

by the protection code will function properly.

1-3.5.4 Separability. If any clause, sentence, paragraph, section or subsection of this code shall for any reason be adjudged by any court of competent jurisdiction to be unconstitutional and invalid, such judgement shall not affect, repeal or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section or subsection found to be unconstitutional and invalid. (K.S.A. 19-3708.)

SANITARY CODE

JEWELL COUNTY, KANSAS

CHAPTER 2

ON-SITE WASTEWATER MANAGEMENT

SECTION 2-1.0 PURPOSE AND INTENT

Wastewater is a potential source of disease and water pollution, and a hazard to the health, safety, and welfare of the public. It is the purpose of this chapter to provide minimum standards for the location, design, construction, maintenance and use of on-site wastewater systems, and the removal and disposal of materials from such facilities within the legal boundaries of Jewell County.

SECTION 2-2.0 APPLICABILITY

The provisions of this chapter shall apply to all unincorporated areas located in Jewell County, Kansas.

SECTION 2-3.0 DEFINITIONS

2-3.1 Nuisance means conditions or activities which have or threaten to have a detrimental effect on the health of the public or its members.

2-3.2 Private Wastewater System means any system which does not hold a Kansas Water Pollution Permit pursuant to K.S.A. 65-165. This includes

APPROVED  
Kansas Department of Health  
and Environment

Oct 12, 1992  
Date

wastewater disposal systems which function by soil absorption, evaporation, transpiration, holding tanks, or any combination of the above.

2-3.3 Sanitary Privy means a facility designed for the disposal of non-water carried wastes from the human body.

2-3.4 Sanitary Service means the pumping out and/or removal of wastewater, sludge, or human excreta from privies, vaults, septic tanks, or private wastewater disposal systems; and the transportation of such material to a point of final disposal.

2-3.5 Sewage means any substance that contains any of the waste products or excrementitious or other discharges from the bodies of human beings or animals, or chemical or other wastes from domestic, manufacturing or other forms of industry. (K.S.A. 65-164.)

2-3.6 Wastewater System means any system along with attendant pipes and appurtenances designed and constructed to collect, store, treat, and dispose of domestic, industrial, or commercial waste.

2-3.7 Vaults/Holding Tank means a water-tight receptacle for the retention of wastewater either before, during, or after treatment.

APPROVED  
Kansas Department of Health  
and Environment

OCT 12, 1992  
Date

SECTION 2-4.0 PROHIBITED PRACTICES

2-4.1 Use of Nonapproved Private Systems. No person shall use, or cause to be used, any private wastewater system or privy constructed after adoption of this sanitary code until it has been inspected and approved by the Administrative Agency or if it:

- a. has been enjoined as a public health nuisance by a court of competent jurisdiction; or,
- b. fails to comply with the provisions of this sanitary code, and written notice thereof has been given by the Administrative Agency; or,
- c. discharges wastes onto the surface of the ground, or waters of the state as defined in K.S.A. 65-161 (a) or,
- d. causes vector breeding, or produces offensive odors or any condition that is detrimental to health and comfort.

2-4.2 Use of Private Wastewater Systems Within 400 Feet of Public wastewater system. No private wastewater system shall be constructed within 400 feet of an existing public wastewater system, unless the Administrative Agency finds that connection to such a wastewater system is not feasible and that a private wastewater

APPROVED  
Kansas Department of Health  
and Environment  
Oct 12, 1992  
Date

system, meeting the requirements of this code, can be constructed on that property.

2-4.3 Location of Private Wastewater Systems Below Full/Flood Pool. No portion of a private wastewater system shall be located below the flood pool elevation of any reservoir or full pool elevation of any pond, lake, stream or water supply reservoir, unless written approval is obtained from the Administrative Agency.

2-4.4 Location of a Private Wastewater System Within 100 Feet of Well. No portion of a private wastewater system shall be located less than 100 feet from a private water well or a pump suction line from a water well, unless the facility is of water tight construction. No sanitary wastewater line, regardless of construction, shall be located less than 10<sup>1</sup> feet from a water well or a suction line from a water well.

SECTION 2-5.0 REQUIREMENTS FOR PRIVATE WASTEWATER DISPOSAL SYSTEMS

2-5.1 Approval of Plans. After adoption of this code no person shall develop any private wastewater

---

<sup>1</sup> See table I

APPROVED  
Kansas Department of Health  
and Environment

Oct 12, 1992  
Date

system until the plans and specifications for such system have been approved by Administrative Agency. References approved by Kansas Department of Health and Environment shall be used as a guide in reviewing and approving plans for private wastewater disposal systems.

2-5.2 Permit. No person shall construct or reconstruct, or permit to be constructed or reconstructed, any private wastewater system until a permit has been issued by the Administrative Agency.

2-5.3 Suitable Site. No site shall be approved if:

- a. connection to an approved public wastewater system is feasible or the site violates the provisions of Section 2-4.0 of this code; or,
- b. the site contains less than one acre of land exclusive of roads, streets, or other public rights-of-way or easements, providing this area requirement may be reduced to 20,000 square feet if the property is served by an approved water supply; or,
- c. the soil, topography, and geology do not meet the requirements set forth in Section 2-6.0.

2-5.4 Approval. All private wastewater systems developed or modified after the effective date of this sanitary code must be inspected and

APPROVED  
Kansas Department of Health  
and Environment

Oct 12, 1992  
Date

approved by the Administrative Agency for compliance with the approved plans, and no portion of the wastewater system shall be covered or made inaccessible to inspection prior to approval.

2-5.5 Proper Maintenance and Operation. All private wastewater systems shall be maintained in good working condition. Whenever the Administrative Agency finds any private wastewater disposal system in violation of this code, the owner and/or user shall be ordered to correct the condition.

2-5.6 Waiver. The Administrative Agency shall have the authority to grant exceptions when reliable information is provided which can justify the exception without compromising the environment.

SECTION 2-6.0 MINIMUM STANDARDS FOR SOIL TOPOGRAPHY AND GEOLOGY No private wastewater system shall be constructed on any lot of any size unless minimum standards for percolation rates, soil profiles and depth to impervious rock or groundwater are met.

SECTION 2-7.0 REQUIREMENTS FOR PRIVIES

2-7.1 Approval of Plans. No person shall construct or modify any privy until the plans and specifications for the proposed construction

APPROVED  
Kansas Department of Health  
and Environment

Oct 12, 1997  
Date

and/or modification have been approved by the Administrative Agency.

2-7.2 Approval of Construction. No person shall use, or make available for use, any newly constructed or modified privy until the construction has been inspected and approved by the Administrative Agency for compliance with approved plans.

2-7.3 Proper Maintenance. No person shall use, or offer for use, any privy that is not maintained in a clean and sanitary condition.

2-7.4 Vault Required in Certain Areas. In areas where the elevation of the groundwater is within six feet of the top of the ground, a watertight vault shall be provided in lieu of the standard pit.

2-7.5 Location.

- a) No privy shall be installed less than 100 feet from an existing well
- b) No privy shall be constructed or reconstructed on any premise served by a public water supply, or on which water is delivered to any building under pressure, unless special permission for use of a privy is obtained from the Administrative Agency.

2-8.0 Sanitary Services. No person shall remove or

SECTION  
APPROVED  
Kansas Department of Health  
and Environment

OCT 12, 1992  
Date

transport any wastes from any wastewater system or privy, unless that person holds a valid permit from the Administrative Agency.

2-8.1 Contracting With unlicensed Persons Prohibited.

No person responsible for operating a private wastewater system or privy shall contract with any person for sanitary service unless that person holds a valid permit.

2-8.2 Minimum Standards for Sanitary Service

Equipment. All equipment used for rendering of sanitary service shall be of watertight construction and maintained in good working condition. This ensures that all materials removed from private wastewater disposal systems or privies will be transported to an approved point of disposal without spillage of the waste.

SECTION 2-9.0 REQUIREMENTS FOR SUBDIVISION DEVELOPMENT

After adoption of this code no person shall develop any subdivision until the plans and specifications for on-site wastewater management have been approved by the Administrative Agency.

APPROVED  
Kansas Department of Health  
and Environment

Oct 12, 1992  
Date

SANITARY CODE  
JEWELL COUNTY, KANSAS  
CHAPTER 3  
NONPUBLIC WATER SUPPLIES

SECTION 3-1.0 PURPOSE AND INTENT

The provisions of this chapter are for the purpose of regulating and controlling the development, maintenance, and use of all water supplies other than Public Water Supplies in Jewell County, Kansas, in order that public health will be protected and the contamination and pollution of the water resources of the county will be prevented.

SECTION 3-2.0 APPLICABILITY

The provisions of this chapter shall apply to all unincorporated areas located in Jewell County, Kansas.

SECTION 3-3.0 DEFINITIONS

3-3.1 Public Water Supply means a system that has at least ten service connections or regularly serves an average of at least 25 individuals daily at least 60 days out of the year. (K.S.A. 65-162a.)

3-3.2 Nonpublic Water Supply means all water supplies not meeting the definition of a Public Water

APPROVED  
Kansas Department of Health  
and Environment

Oct 12, 1992  
Date

Supply.

SECTION 3-4.0 REQUIREMENTS FOR NONPUBLIC WATER SUPPLIES

3-4.1 Permit. No person shall construct any water supply subject to regulation of this code until a permit has been obtained from the Administrative Agency.

3-4.2 Approved Plans. No permit to develop a water supply subject to regulations of this code shall be issued until the plans have been approved by the Administrative Agency.

3-4.3 Nonpublic Water Supplies Which Serve Two to Nine Service Connections. All nonpublic water supplies which serve two to nine service connections shall:

- a. have an initial and at least annual total coliform analysis; and,
- b. an initial chemical analysis for nitrates; and,
- c. other tests may be required to verify the satisfactory condition of the supply.

SECTION 3-5.0 MINIMUM STANDARDS FOR GROUNDWATER SUPPLIES

3-5.1 Location. All wells used as sources of water for water supplies shall be separated from the specified sources of pollution by distances equal to or greater than those shown in Table I. Such distances may be increased by the

APPROVED  
Kansas Department of Health  
and Environment

Oct 12, 1992  
Date

Administrative Agency to provide assurance that the well will not be contaminated.

TABLE I

Minimum Separation Distance Between Nonpublic Water Supply Wells and Sources of Pollution

<u>Source of Pollution</u>	<u>Minimum Separation</u>
Subsurface absorption field for septic tank effluent . . . . .	100 feet
Pit privy . . . . .	100 feet
Septic tank . . . . .	100 feet
Barnyards, stables, manure piles, animal pens, etc. . . . .	100 feet
Streams, lakes and ponds. . . . .	100 feet
Sewer lines, <u>not</u> constructed of cast iron or other equally tight construction . . . . .	100 feet
Sewer lines constructed of cast iron or other equally tight construction . . . . .	10 feet

3-5.2 Construction. The enforcement of this section of the sanitary code shall be regulated in accordance with K.A.R. 28-30-1 through 28-30-10 et seq. as amended. Recommended standards for design, construction and location; and practices consistent with current approved technology shall be followed.

Oct 12, 1992  
Date

SECTION 3-6.0 REQUIREMENTS FOR SUBDIVISION DEVELOPMENT

After adoption of this code no person shall develop any subdivision until the plans and specifications for water supply provision and/or protection have been approved by the Administrative Agency.

APPROVED  
Kansas Department of Health  
and Environment

Oct 12, 1992  
Date
