SANITARY CODE

Stafford COUNTY, KANSAS

CHAPTER 1

Administrative Procedures

SECTION 1-1.0 AUTHORITY AND POLICY

1-1.1 Legal Authority. This code is adopted under the authority granted to the Board of County Commissioners by K.S.A. 19-3701 et. seq. or K.S.A 12-3301 et. seq., as amended.

1-1.2 Declaration of Finding and Policy. The Commissioners find that the provision of adequate and reasonable control over environmental conditions in the county is necessary and desirable. A sanitary code establishes standards to eliminate and/or prevent the development of environmental conditions that are hazardous to health and safety, and promotes the economical and planned development of the land and water resources of the county. For these reasons and objectives, it will be the policy of the Board of County Commissioners to adopt and amend a sanitary code to provide current regulation of practices that affect health and safety.

1-1.3 Purpose. The purpose and intent of this chapter is to prescribe the administrative procedures to be followed in administering this sanitary code or any

APPROVED  
Kansas Department of Health  
and Environment

Sept 30, 1992  
Date

amendments thereto; and to prescribe rules and regulations for controlling practices to minimize health and safety hazards.

1-1.4 Title. This code shall be known and referred to as the Stafford County Sanitary Code.

1-1.5 Applicability. The procedures prescribed in this chapter shall be followed in administering this code and any amendments thereto.

1-1.6 Effective Date. This code shall become effective \_\_\_\_\_.

SECTION 1-2.0 DEFINITIONS: The following words, terms and phrases appear in more than one chapter of this Code and thus have general application and usage. Words, terms, and phrases appropriate or applicable to specific chapters within this Code may be found in that particular chapter.

1-2.1 Administrative Agency means the entity authorized to implement the provisions of this code.

1-2.1.1 The Administrative Agency for Stafford County is designated as Stafford County Health Department.

1-2.2 Administrative Rules means those rules and regulations contained in chapter one of this sanitary code which prescribe general procedures to be followed in the administration of the sanitary code adopted by the county.

- 1-3.2 Permit and License.
- 1-3.2.1 Applications for Permits and Licenses. Every person required by this sanitary code to obtain a permit or license shall make application for such permit or license to the Administrative Agency.
- 1-3.2.2 Issuance of Permit or License. After receipt of an application as required by this code, the Administrative Agency shall begin such investigation as deemed necessary to determine whether the permit or license should be issued or denied, and shall issue or deny the permit or license within 30 days of such receipt. If the permit or license is denied, the Administrative Agency shall send the applicant a written notice and state the reasons for rejection.
- 1-3.2.3 Permit Nontransferable. No permit or license required by this sanitary code shall be transferable, nor shall any fees required and paid therefor be refundable.
- 1-3.2.4 Permit Revocation. All permits are subject to revocation for reasons of noncompliance or misrepresentation.
- 1-3.2.5 Standard Fees. The Administrative Agency shall establish a schedule of fees for all permits and licenses required by the code, and said fees shall

be paid into the Administrative Agency. The Administrative Agency shall not process any application for a permit or license until the required fee has been paid. (K.S.A. 19-3702.)

1-3.3 Notices, Orders, Appeals.

1-3.3.1 Notice of Violations. When the Administrative Agency determines that there has been a violation of any provision of this Code, notice of such violation shall be issued to the person responsible. The notice shall:

- (a) be in writing;
- (b) include a statement of why the notice is being issued;
- (c) allow a reasonable period of time for performance of any work required by the notice; and,
- (d) be properly served upon the owner or agent.

Such notice shall be deemed properly served when a copy thereof has been sent by certified mail to the last known address of the owner or agent.

1-3.3.2 Appeal for Hearing. Any person aggrieved by any notice or order issued by the Administrative Agency under the provisions of this sanitary code may request, and shall be granted, a hearing on the

matter before the Hearing Officer; provided such person shall file with the Administrative Agency within ten working days after the date of issuance of the notice or order, a written petition requesting a hearing and setting forth the grounds upon which the request is made. The filing of the request for a hearing shall operate as a stay of the notice or order. Upon receipt of such petition, the Administrative Agency shall confer with the Hearing Officer and set a time and place for such hearing and shall give the petitioner written notice thereof. At such hearing, the petitioner shall be given an opportunity to show why such notice or order should be modified or withdrawn. The hearing shall be commenced no later than ten working days after the date on which the petition was filed; provided, that upon request of the petitioner, the Administrative Agency may postpone the hearing for a reasonable time beyond such ten-day period, when in the Agency's judgement the petitioner has submitted justifiable reason for such postponement.

1-3.3.3 Report of Hearing. Within ten working days after such a hearing, the Hearing Officer shall submit the findings of the hearing in writing to the

Administrative Agency. The findings shall include a recommendation that the order be sustained, modified, or withdrawn. Upon the receipt of the report of the Hearing Officer, the Administrative Agency shall consider the report and issue an order, confirming, modifying or withdrawing the notice or order, and shall notify the appellant in the same manner as is provided for in Sec. 1-3.3.1.

1-3.3.4 Emergency Orders. Whenever the Administrative Agency finds that an emergency exists which requires immediate action to protect the public, the Agency may issue an order reciting the existence of such an emergency, specifying action be taken to meet the emergency. Such an order shall be effective immediately. Any person to whom such an order is directed shall comply therewith immediately.

1-3.4 Records.

1-3.4.1 Permit Applications. Applications for permits or licenses required by this code shall be managed by the Administrative Agency.

1-3.4.2 Official Actions. A written record of all official actions taken on applications for permits and licenses required by this sanitary code shall be managed with the Administrative Agency.

1-3.4.3 Proceedings of Hearings. The proceedings of all hearings, including findings and decisions of the Hearing Officer, together with a copy of every notice and order related thereto shall be filed with the Administrative Agency. Transcripts of the proceedings of hearings need not be transcribed unless a judicial review of the decision is sought.

1-3.5 GENERAL PROVISIONS

1-3.5.1 Enforcement Procedure. The County Attorney or County Counselor shall enforce the provisions of this code and other sanitary codes adopted by the county and is hereby authorized and directed to file appropriate actions for such enforcement, upon request of the Administrative Agency. Actions of injunction, mandamus, and quo warranto may be utilized for enforcement of these codes and shall be governed by the provisions of the Kansas Code of Civil Procedure.

1-3.5.2 Penalties. In addition to, and independently of, the enforcement procedures provided in section 1-3.5.1 herein, upon conviction of any violation of any provision of a sanitary code shall be deemed to be a misdemeanor and punishable by a fine not to exceed two hundred dollars (\$200) for each offense.

CHAPTER 2

ONSITE WASTEWATER MANAGEMENT

SECTION 2-1.0 PURPOSE AND INTENT.

Sewage is a potential source of disease and a hazard to the health, safety, and welfare of the public. It is the purpose of this chapter to provide minimum standards for the location, design, construction, maintenance and use of on-site wastewater systems, and the removal and disposal of materials from such facilities within the legal boundaries of Stafford County.

SECTION 2-2.0 APPLICABILITY.

The provisions of this chapter shall apply to all unincorporated areas located in Stafford County,

SECTION 2-3.1 DEFINITIONS.

Domestic Sewage - Domestic means sewage originating primarily from the kitchen, bathroom and laundry sources. It includes waste from food preparation, dishwashing, garbage grinding, toilets, baths, showers, and sinks.

2-3.2 Nuisance means conditions or activities which have or threaten to have a detrimental effect on the environment or health of the public or its members.

- 2-3.3 Private Wastewater System. Means any system which does not hold a Kansas Water Pollution Control permit . This includes wastewater disposal systems which function by soil absorption, evaporation, transpiration, holding tanks, or any combination of the above.
- 2-3.4 Sanitary Privy means a facility designed for the disposal of non-water carried wastes from the human body.
- 2-3.5 Sanitary Service means the pumping out and/or removal of sewage, sludge, or human excreta from privies, vaults, septic tanks, or private sewerage systems; and the transportation of such material to a point of final disposal.
- 2-3.6 Sewage means any substance that contains any of the waste products or excrementitious or other discharges from the bodies of human beings or animals, or chemical or other wastes from domestic, manufacturing or other forms of industry including greywater.
- 2-3.7 Subdivision Subdivision and subdivided means any land situated within or without the state of Kansas which is divided or is proposed to be divided for the purpose of disposition into two (2) or more lots, parcels, units or interests and also includes

any land whether contiguous or not if two (2) or more lots, parcels, units or interests are offered as a part of a common promotional plan of advertising and sale.

2-3.8 Wastewater System means any system along with attendant pipes and appurtenances designed and constructed to collect, store, treat, and dispose of domestic, industrial, or commercial waste.

2-3.9 Vaults/Holding Tank means a water-tight receptacle for the retention of sewage either before, during, or after treatment.

SECTION 2-4.0 PROHIBITED PRACTICES.

2-4.1 Use of Nonapproved Private Wastewater Systems. No person shall use, or cause to be used, any private wastewater system, or privy constructed after adoption of this sanitary code until it has been inspected and determined to comply with all provisions of this code. A private wastewater system in use before adoption of this code may be required to comply with the provisions of this code, with due consideration to existing lot size and conditions, if it:

- a. has been enjoined as a public health nuisance by a court of competent jurisdiction or

06/02/92 DRAFT

- b. fails to comply with the provisions of this sanitation code, and written notice thereof has been given by the Administrative Agency or
- c. discharges wastes onto the surface of the ground, or waters of the state as defined in K.S.A. 65-161(a) or,
- d. receives any wastewater other than domestic sewage, causes vector breeding, produces offensive odors or any condition that is prejudicial to health and comfort.

2-4.2 Use of Wastewater Systems Within 400 Feet of Public Sewer. No private wastewater system shall be constructed within 400 feet of an existing public sewer, unless the Administrative Agency finds that connection to such a sewer is not feasible and that a private wastewater system, meeting the requirements of this code, can be constructed on that property.

2-4.3 Location of Private Wastewater Systems Below Full/Flood Pool. No portion of a private wastewater system shall be located below the flood pool elevation of any reservoir or full pool elevation of any pond, lake, stream or water supply reservoir unless written approval is obtained from the Administrative Agency.

2-4.4 Location of a Private Wastewater System Within 50 Feet of Private Well. No portion of a private wastewater system shall be located less than 50 feet from a private water well or a pump suction line from a private water well, unless that portion is of water tight construction. No sanitary sewer line, regardless of construction, shall be located less than 50 feet from a private water well or a suction line from a private water well.

2-4.5 Location of a Private Wastewater System within 100 Feet Of Public Well. No portion of a private wastewater system shall be located less than 100 feet from a public water well.

SECTION 2-5.0 REQUIREMENTS FOR PRIVATE WASTEWATER SYSTEMS.

2-5.1 Approval of Plans. After adoption of this code no person shall develop any private wastewater system until the plans and specifications for such system have been approved by the Administrative Agency. References approved by KDHE may be used as a guide by the Administrative Agency in reviewing and approving plans for private wastewater systems.

2-5.2 Permit. No person shall construct or modify, or permit to be constructed or modified, any private wastewater system until a permit has been issued by the Administrative Agency.

APPROVED  
Kansas Department of Health  
and Environment

Sept 30, 1992

2-5.3 Suitable Site. No site shall be approved if:

(a) connection to an approved public wastewater system is feasible or the site violates the provisions of Section 2-4.0 of this code or

(b) the site contains less than two acres land exclusive of roads, streets, or other public rights-of-way or easements; to be used exclusively for wastewater disposal

(c) the soil, topography, and geology does not meet the requirements set forth in Section 2-6.0.

2-5.4 Construction Approval. All private wastewater systems developed or modified after the effective date of this sanitary code must be inspected and approved by the Administrative Agency for compliance with the approved plans; and no portion of the system shall be covered or made inaccessible to inspection prior to approval.

2-5.5 Proper Maintenance and Operation. All private wastewater systems shall be maintained in good working condition. Whenever the Administrative Agency finds any private wastewater system in violation of this code, the owner and/or user shall be ordered to correct the condition.

2-5.6 Waiver. The Administrative Agency shall have the authority to grant exceptions when reliable

information is provided which justifies the exception and does not degrade the environment.

SECTION 2-6.0 MINIMUM STANDARDS FOR SOIL TOPOGRAPHY AND GEOLOGY.

No private wastewater system which is dependent upon soil absorption for the disposal of wastewater, shall be constructed on any lot of any size unless minimum standards specifying limits for soil, topography, geology as established in KDHE Bulletin 4-2 are met.

2-7.0 REQUIREMENTS FOR PRIVIES.

2-7.1 Approval of Plans. No person shall construct or modify any privy until the plans and specifications for the proposed construction and/or modification have been approved by the Administrative Agency.

2-7.2 Approval of Construction. No person shall use, or make available for use, any newly constructed or modified privy until the construction has been inspected and approved by the Administrative Agency for compliance with approved plans.

2-7.3 Proper Maintenance. No person shall use, or offer for use, any privy that is not maintained in a clean and sanitary condition.

2-7.4 Vault Required in Certain Areas. In areas where the elevation of the groundwater is within six feet

06/02/92 DRAFT

of the top of the ground, a watertight vault shall be provided in lieu of the standard pit.

2-7.5 Location.

No privy shall be installed less than 300 feet from an existing well.

SECTION 2-8.0 SANITARY SERVICES. No person shall remove or transport any wastes from any private sewerage system or privy, unless he holds a valid permit from the Administrative Agency.

2-8.1 Contracting With Unlicensed Persons Prohibited. No person responsible for operating a private sewerage system or privy shall contract with any person for sanitary service unless that person holds a valid permit.

2-8.2 Minimum Standards for Sanitary Service Equipment. All equipment used for rendering of sanitary service shall be of watertight construction and maintained in good working condition to ensure that all materials removed from private sewerage systems or privies will be transported to an approved point of disposal without spillage of the waste.

SECTION 2-9.0 REQUIREMENTS FOR SUBDIVISION DEVELOPMENT

After adoption of this code no person shall develop any subdivision until the plans and specifications
