

Question	Answer
<p>How do we recalculate the income of a client who has a status of income ineligible?</p>	<p>If the client was receiving WIC benefits and became income ineligible, the client is terminated from the program and provided written notification. (Use Income Eligibility Redetermination Wizard.)</p> <p>If that same client comes back in one month and states that their income has decreased due to a change in employment, the client can be re-instated if they are still within a current certification period. WIC staff would:</p> <ul style="list-style-type: none">• Use Reinstated Client to make the client active,• Open Income Eligibility Redetermination and then re-calculate the client's income using the re-calculate button on the income tab. <p>If the same client comes back in 5 months instead of one month and states that their income had decreased due to a change in employment, the client must be re-certified if the current certification period has lapsed.</p>
