

# Request for Public Comment

**The public is encouraged to offer suggestions to improve the Kansas WIC Program.**

The Kansas Department of Health and Environment, Nutrition and WIC Services administer the Special Supplemental Nutrition Program for Women, Infants and Children. (WIC)

Each year, Kansas submits a State Plan to the United States Department of Agriculture on the management of the WIC Program. The Policy and Procedure Manual (State Plan) may be viewed at:

[http://www.kansaswic.org/local\\_agencies/](http://www.kansaswic.org/local_agencies/)

Please submit comments about the WIC Program State Plan using any of the following.

1. Website: [www.kansaswic.org](http://www.kansaswic.org)
2. Email: [dthomason@kdheks.gov](mailto:dthomason@kdheks.gov)
3. Postal mail:
