

# A New Face to KS-TRAIN February 13, 2013

On Wed., Feb. 13, TRAIN launched a new look to the login page and home page. This enhancement was developed and funded by the Centers for Disease Control and Prevention to modernize the formatting and navigation of the learning management system for all 28 affiliate TRAIN websites. The new look is a work in progress as each affiliate site will need tailoring.

The screenshot shows the KS-TRAIN login page as of Tuesday, February 12, 2013. The page features a blue header with the Kansas TRAIN logo and navigation links. A callout bubble points to the login section, stating: "The Login section will have a bolder blue border and buttons." The login form includes fields for "Login Name" and "Password", a "LOGIN" button, a "Remember My Login Credentials" checkbox, and a "Forgot Login Name/Password" link. Below the login form are "-OR-" and "JOIN" buttons. A "JOIN" button is also present in the main content area. The page also includes a search bar, a "Welcome Guest! | Login" message, and a "Click here to view the Learning Calendar" link. A footer contains "Help | Contact | © PHF 2003-2013- Confidentiality Statement" and "Font Options: Zoom In | Zoom Out | Reset Zoom".

The screenshot shows the KS-TRAIN Announcements section as of Monday, February 11, 2013. A callout bubble points to the "Upcoming Events" section, stating: "Upcoming Events will now be listed in the Announcements section. You can select 'Pause' to view that page of announcements, 'Next and Back' to view other announcements, or Home to reset. More changes coming to this section of TRAIN." The "Upcoming Events" section lists several training courses with their dates and locations. A table on the right shows the number of pending items for "Approval Items" and "Course Ratings". The page also includes a "My Account | Logoff" link and a "My Learning" sidebar with links to "My Certificates", "My Training Plans", "My Surveys", and "My Links".
