In the case of municipalities any such insurance may be obtained by competitive bids or by negotiation. In the case of the state, any such insurance shall be purchased in the manner and subject to the limitations prescribed by K.S.A. 75-4114, and amendments thereto, except as provided in K.S.A. 76-749, and amendments thereto. With regard to claims pursuant to the Kansas tort claims act, insurers of governmental entities may avail themselves of any defense that would be available to a governmental entity defending itself in an action within the scope of this act, except that the limitation on liability provided by subsection (a) of K.S.A. 75-6105 and amendments thereto shall not be applicable where the contract of insurance provides for coverage in excess of such limitation in which case the limitation on liability shall be fixed at the amount for which insurance coverage has been purchased or, where the governmental entity has entered into a pooling arrangement or agreement pursuant to subsection (b)(2) and has provided for coverage in excess of such limitation by ordinance or resolution of its governing body, in which case the limitation on liability shall be fixed at the amount specified in such ordinance or resolution.

(b) Pursuant to the interlocal cooperation act, municipalities may enter into interlocal agreements providing for:

(1) The purchase of insurance to provide for the defense of employees and for liability for claims pursuant to this act; or

(2) pooling arrangements or other agreements to share and pay expenditures for judgments, settlements, defense costs and other direct or indirect expenses incurred as a result of implementation of this act including, but not limited to, the establishment of special funds to pay such expenses.

75-6112. Same; judgments against municipalities, payment; periodic payments, conditions; interest; structured annuities. (a) Upon motion of a municipality against whom final judgment has been rendered for a claim within the scope of this act, the court in accordance with subsection (b) may include in such

judgment a requirement that the judgment be paid in whole or in part by periodic payments. Periodic payments may be ordered paid over any period of time not exceeding 10 years. Any periodic payment upon becoming due and payable under the terms of the judgment shall constitute a separate judgment. Any judgment ordering any such payments shall specify the total amount awarded, the amount of each payment, the interval between payments and the number of payments to be paid under the judgment. Judgments paid pursuant to this section shall bear interest as provided in K.S.A. 16-204 and amendments thereto. For good cause shown, the court may modify such judgment with respect to the amount of such payments and the number of payments to be made or the interval between payments, but the total amount of damages awarded by such judgment shall not be subject to modification in any event and periodic payments shall not be ordered paid over a period in excess of 10 years. Nothing herein shall be construed to prohibit the use of structured annuities to satisfy judgments.

(b) A court may order periodic payments only if the court finds that:

(1) Payment of the judgment is not totally covered by insurance coverage obtained therefor; and

(2) funds for the current budget year and other funds of the municipality which lawfully may be utilized to pay judgments are insufficient to finance both the adopted budget of expenditures for the year and the payment of that portion of the judgment not covered by insurance obtained therefor.
