KANSAS INFORMATION NOTICE 01-10

Untested Third Party Source

Addressees

All Kansas providers of teletherapy service.

Purpose

To inform licensees of a third party offering therapy sealed sources for sale which have not been tested for use in the described teletherapy devices.

Description of Circumstances

A third party source is being promoted for use in the Nucletron microSelection-HDR remote afterloader.

Discussion

The use of parts, consumables or sources not supplied by Nucletron nor tested as a system may result in serious malfunctioning of the equipment.

See the attached correspondence from Nucletron dated June 26, 2001.
