

## **Kansas Brownfields Program Reaches Out**

The Kansas Brownfields Program (KBP) was one of over 100 vendors to set up a booth at the 2012 League of Kansas Municipalities Annual Conference, which was held Oct. 6 - 8, at the ExpoCentre in Topeka. Representatives from the KBP were available throughout the weekend to discuss potential brownfields redevelopment projects with local governmental entities participating in the conference. Overall, the conference was well attended with more than 100 people stopping by the booth.
