RE: Voluntary Agreement 10VCP0003, Maple City Release, Cowley County, Kansas

Dear Ms. Woxell:

Enclosed for your records is a copy of the Voluntary Agreement 10VCP0003 executed pursuant to the Voluntary Cleanup and Property Redevelopment Program (VCPRP) for the above referenced property. The Secretary of the Kansas Department of Health and Environment (KDHE) signed the agreement on February 19, 2010.

Please note that I have been assigned as Project Manager to provide KDHE oversight for the Magellan Maple City release. I have reviewed the information submitted with the application and examined KDHE documents on file that pertain to this property. Based on this review, it appears additional investigation will be necessary to characterize potential source areas on the property and identify any possible contamination. Please use the VCI Scope of Work that has already been provided to you, for assistance in preparing the work plan.

At this time, Magellan should contract with a qualified environmental consultant to prepare a work plan to carry out the Voluntary Cleanup Investigation and submit it to KDHE for review and approval by May 20, 2010. If you or your consultant has any questions about this process, please contact me by telephone at 785-296-6380 or via email at g-richards@kdheks.gov.

Sincerely,

Gary Richards
