June 2004

Report

Volume 2
Appendices A-D

<i>Appendix A</i>	Summary of Investigations by Others
<i>Appendix A-1</i>	Environmental Investigation Reports in CDM Files
<i>Appendix A-2</i>	List of Applications for Certificate of Release Reviewed by CDM
<i>Appendix B</i>	Data from Miscellaneous Facilities within the NIC Site
<i>Appendix B-1</i>	13W - 13th & Washington
<i>Appendix B-2</i>	29M - 29th & Mead Site
<i>Appendix B-3</i>	CN - Coleman North
<i>Appendix B-4</i>	CNE - Coleman Northeast
<i>Appendix B-5</i>	CTC - Continental Tank Car
<i>Appendix B-6</i>	CSI - Christopher Steel
<i>Appendix B-7</i>	DRB - Coastal Derby Refinery
<i>Appendix B-8</i>	FLE - Farmland Elevator
<i>Appendix B-9</i>	HCI - HCI/Advance Chemical
<i>Appendix B-10</i>	JRF - Johns' Refinery
<i>Appendix B-11</i>	KPI - Kansas Plating Inc.
<i>Appendix B-12</i>	SK - Safety Kleen/Former Hydrocarbon Recyclers Inc.
<i>Appendix B-13</i>	UCL - Unocal
<i>Appendix B-14</i>	USD - USD 259
<i>Appendix B-15</i>	UPRF - Union Pacific Railroad, Wichita Fueling Facility
<i>Appendix B-16</i>	VCM - Via Christi Medical Center
<i>Appendix B-17</i>	VIM - Former Vim Trailer
<i>Appendix B-18</i>	VWRS - Van Water & Rogers (South)
<i>Appendix B-19</i>	VWRN - Former Van Water & Rogers (North)
<i>Appendix B-20</i>	WU - Western Uniform
<i>Appendix B-21</i>	Miscellaneous Other Facilities
<i>Appendix C</i>	NIC Site Boundary
<i>Appendix D</i>	Field Sampling Data Tables and Forms
<i>Appendix D-1</i>	Phase 1 Geoprobe Sampling Observations
<i>Appendix D-2</i>	Phase 1a Geoprobe Sampling Observations
<i>Appendix D-3</i>	Phase 2 Geoprobe Sampling Observations
<i>Appendix D-4</i>	Monitoring Well Development Forms
<i>Appendix D-5</i>	Monitoring Well Registration Forms
<i>Appendix D-6</i>	Phase 1 Monitoring Well Field Parameters
<i>Appendix D-7</i>	Phase 2 Monitoring Well Field Parameters
<i>Appendix D-8</i>	Phase 2 Monitoring Well Sampling Methods
<i>Appendix D-9</i>	Air Sampling Field Forms

Environmental Investigation Reports in
CDM Files

**North Industrial Corridor (NIC) Site
Environmental Investigation Reports in CDM Files**

Subject Site	Site Prefix	Report Title	Prepared by	Report Date	What's Present
1104 N. Broadway		Phase I Environmental Site Assessment of the property located at 1104 N. Broadway, Wichita, Kansas, 67214	Environmental Management Inc., Wichita KS	August, 1999	Basic Phase I - Site Map
123 N. Market		123 N. Market SRE Site, Wichita, Sedgwick County, Kansas, Site Reconnaissance and Evaluation, KDHE	KDHE BER Remedial Section/Site Assessment Unit	March, 2001	Full Report
13th and Washington	13W	Expanded Site Inspection - 13th and Washington Site - Wichita, Kansas - Cerclis ID KSD984988456	Kansas Dept of Health and Environment	September, 1993	Full Report
1840 N. Ohio Street	17&O	Phase II Sampling Investigation - 1840 N. Ohio Street - Wichita, Kansas.	TerraTech Environmental Services, Inc.	February, 1994	Full Report incl. / Sample Location Map / CI VOC Data for shallow and deep GPs
1935 Park Place		Margaret Williams, GW Results, 1987 (TCE not detected), (DCE detected)	KDHE	July, 1987	Sample Collection Information Sheet
2009 North Mosley	KP	One Point Groundwater Quality Assessment, Mosley Properties	HWS Technologies	March, 1990	Text (1 page) summarizing results, CI VOC data
29th and Mead	29M	Wichita North Industrial District - Phase I Part I - Initial Site Assessment	HWS Technologies, Inc.	February, 1989	Nothing
29th and Mead	29M	Final Work Plan for the Remedial Investigation/ Feasibility Study	HWS Technologies, Inc.	September, 1989	Nothing
29th and Mead	29M	Deliverable Packet #1 - ARARs, TBCs, FSP, QAPP, and H&S Plan - Final	Groundwater Technology, Inc.	March, 1990	Nothing
29th and Mead	29M	Report of Field Characterization Data Acquisition Study for the 29th and Mead RI/FS	Groundwater Technology, Inc.	August, 1990	Full Draft Report
29th and Mead	29M	Draft Report of the Field Characterization Data Acquisition Study for the 29th and Mead RI/FS	Groundwater Technology, Inc.	September, 1990	Draft Report
29th and Mead	29M	Addendum 1 - Report of the Field Characterization Data Acquisition Study for the 29th and Mead RI/FS	Groundwater Technology, Inc.	November, 1990	Full Report
29th and Mead	29M	Work Plan for the long-term Monitoring Program - 29th and Mead RI/FS	Groundwater Technology, Inc.	January, 1991	Full Report
29th and Mead	29M	Remedial Investigation Report - RI/FS	Groundwater Technology, Inc.	June, 1992	Volume Text
29th and Mead	29M	Addendum I to Remedial Investigation Report - Area 3 - 29th and Mead Site - Wichita, Kansas	Groundwater Technology, Inc.	September, 1992	Full Report
29th and Mead	29M	Remedial Investigation Report, Geoprobe Field Investigation	Groundwater Technology, Inc.	December, 1992	Full Report
29th and Mead	29M	Field Investigation Report, 29th and Mead Extension	Groundwater Technology, Inc.	April, 1993	Full Report
29th and Mead	29M	Addendum I - Preliminary Results from the Investigation of Area 3 in the 29th and Mead Site - Wichita, Kansas	Groundwater Technology, Inc.	June, 1996	Full Report

**North Industrial Corridor (NIC) Site
Environmental Investigation Reports in CDM Files**

Subject Site	Site Prefix	Report Title	Prepared by	Report Date	What's Present
29th and Mead	29M	Preliminary Results from Investigation of the 29th and Mead Area	Groundwater Technology, Inc.	June, 1996	Full Report
29th and Mead	29M	Report of Activities for the Phase I RI/FS Scoping for the Wichita North Industrial District Group (WNID)	Groundwater Technology, Inc.	Final - May 18, 1990	Nothing
3025 Park Place		Evelyn Duncan, GW Results, 1987 (TCE=3.2)	KDHE	July, 1987	Sample Collection Information
3rd & Main Dewatering Well		Conversation Record telephone contact with Don Breit, Allied Environmental Re: Dewatering Well at 3rd & Main	John Paul Goetz	December, 1995	indication that dewatering well production water with TCE and DCE concentrations greater than MCLs, air stripper needed prior to discharge.
611 E. 13th Street (SF13)	SF13	Preliminary Assessment - Three-Point Groundwater Investigation - 611 E. 13th Street - Wichita, Kansas	TerraTech Environmental Service, Inc.	April, 1993	CI VOC Data / Text - Site Map
925 N. 13th St. N.		Preliminary Assessment - Three Point Groundwater Investigation. Contains offsite laboratory data. Missing location map.	TerraTech Environmental Services, Inc.	February, 1993	Partial Report - Data Tables - Figures
932 - 934 E. 13th St. N.		Phase I Environmental Investigation	Scientific Investigations Company	September, 1996	Basic Phase I - Site Assessment
932 - 934 E. 13th St. N.		Partial Phase II Report by AEC (see below)	Unknown	Unknown	Site Map
932 E. 13th St. N.		Phase II Environmental Site Assessment, Soils and Groundwater Characterization	Allied Environmental Consultants, Inc.	April, 1996	Cover Page Table - 2 groundwater samples w/ CI VOC data, Sample Location Map Boring Log
936-940 N. Waco		Phase 1 Environmental Assessment - on 940 North Waco Street - Wichita, Kansas.	Integrated Solutions	December, 1991	Full Report
936-940 N. Waco		Preliminary Assessment - Groundwater Investigation Utilizing the Heated Headspace Method - 936-940 N. Waco - Wichita, Kansas.	TerraTech Environmental Services, Inc.	August, 1993	Onsite and offsite laboratory data.
Advance Chemical, Inc., 1529 N. Barwise	HCI	Workplan for the Advance Chemical, Inc. Site	C. Johnson Environmental	February, 2000	Workplan for groundwater investigation / Site Map showing CI Solvent Storage Area
Aero Space Controls Corp.(ASC), 1050 N. Mosley	ASC	Correspondence from KDHE to Aero Space Controls	Miscellaneous, includes KDHE and TerraTech Environmental Services, Inc.	1993	Site Map - Analytical Data Sheets - (HOC report) - KDHE request for information (no reply) and copy of analytical results of monitoring wells sampled for House Oil UST Investigation. BTEX, PAH, and PCE, TCE results.

**North Industrial Corridor (NIC) Site
Environmental Investigation Reports in CDM Files**

Subject Site	Site Prefix	Report Title	Prepared by	Report Date	What's Present
Aero Space Controls Corp.(ASC), 1050 N. Mosley	ASC	PRP Aerospace Controls Corp. Correspondence From: KDHE - Rick Bean To: Rudy Esparza (ACC) RE: 13th & Washington Site	Rick Bean - KDHE - Remediation Section	February, 1993	TerraTech/KDPS - Analytical Lab Report - Project: House Oil - Sample Location Map - Analytical Data Sheets
Airtron, 730 E. 13th Airtron/Empire, 1420, 1428 Barwise Prater Properties, 1532 N. Barwise		Burns & McDonnell - Waste Consultants Inc. - Phase II ESA Report - No CE VOC Data	Burns & McDonnell Waste Consultants Inc.	December, 1996	Full Report
Airtron/Airtron Empire/Prater Properties 14th & Barwise		Formerly Machine Shop at 1428 Barwise in 1950's - Burns & McDonnell - Waste Consultants Inc. - Phase I ESA Walk-through Report	Burns & McDonnell Waste Consultants Inc.	December, 1998	Full Report
APC, Inc.	APC	Letter from EPA concerning cleanup	EPA, Region VII	May, 1992	Misc. Correspondence Reports
APC, Inc.	APC	Preliminary Assessment - 5 Point Quality Assessment - APC, Inc. - 1101 through 1199 East Central - Wichita, Kansas	TerraTech Environmental Service, Inc.	December, 1997	Misc. Correspondence Reports
APC, Inc.	APC	Monitoring Reports	KDHE, GTEL Environmental Laboratories	1992	Misc. Correspondence Reports
Apex Engineering, 1234 Wellington Place.	APX	Correspondence from KDHE to Apex regarding RCRA Compliance Inspection, June 3, 1982	Dale T. Stuckey, KDHE	July, 1982	Compliance Inspection summary noting presence of waste TCE tank and tank for plating wastes.
Apex Engineering, 1234 Wellington Place.	APX	Summary of June 30, 1989 Hazardous Waste Compliance Inspection	KDHE (Dale Stuckey)	July, 1989	Indication that paint solvents and TCE waste generated , photograph of 9 drums waste TCE
Apex Engineering, 1234 Wellington Place.	APX	Response to June 30, 1989 Hazardous Waste Compliance Inspection	H&H Parts (Michael Saunders, President)	September, 1989	Summary of steps taken to comply with environmental regulations. Indication of disposal of wastes including TCE and metals at HRI
Apex Engineering, 1234 Wellington Place.	APX	Summary of 6/22/90 Hazardous Waste Compliance Inspection	KDHE	July, 1990	Compliance Inspection summary noting various violations and stating that metal wash and finishing line rinse tanks continuously overflow to sanitary sewer, vapor degreasing done with 1,1,1-TCA in concrete pit
Apex Engineering, 1234 Wellington Place.	APX	Memorandum from Roger Carman, KDHE SCDO, to Tom Gross, KDHE	KDHE (Carmen)	September, 1990	Analytical results from Apex production wells indicating presence of TCE, toluene, and chromium in groundwater
Apex Engineering, 1234 Wellington Place.	APX	KDHE Order, Violations by H&H Parts Company, Case No. 90-E-81	KDHE (James A. Powell)	November, 1990	Notice of \$5000 fine resulting from findings of June 22, 1990 compliance inspection

**North Industrial Corridor (NIC) Site
Environmental Investigation Reports in CDM Files**

Subject Site	Site Prefix	Report Title	Prepared by	Report Date	What's Present
Apex Engineering, 1234 Wellington Place.	APX	Laboratory Analytical Results	KDHE Laboratory, sample collected by S. Caspers	March, 1991	Data sheet indicating rinse water from metal finishing operations contained 365 ug/L 1,1,1 TCA, 11.2 ug/L TCE, other chlorinated organics. Map indicating test sampling location adjacent to drain entrance to sewer line, process tanks layout.
Apex Engineering, 1234 Wellington Place.	APX	Miscellaneous correspondence	H&H Parts, KDHE	1980	Indication of plating activities in early 1950s and 2000 gallon tank full of left over plating fluid in 1980 (cleaned out, 1980).
Apex Engineering, 1234 Wellington Place.	APX	Miscellaneous correspondence related to Hazardous materials regulatory compliance	KDHE, Apex	1990 - 1996	Waste manifests for spent 1,1,1-TCA, TCE, soil sample data (metals), reference to soil cleanup
Apex Engineering, 1234 Wellington Place. (Formerly H&H Parts, Chromalloy Aircraft Structures, BG Aerostructures, Inc.)	APX	Miscellaneous correspondence related to air quality permits	KDHE / Apex	1990 - 1999	Misc documents including reference to vapor degreasing activities using approximately 2,200 gallons 1,1,1-TCA annually, 1,1,1-TCA MSD, Air quality permit.
Bartles and Shore Chemical Company Co., 700 E. 17th St.	BAS	Response to KDHE request for information. No analytical data.	Bartles and Shores Chemical Company	April, 1994	Response to KDHE's Request for Information - Attachments with questions
Bemis Company, Inc. 13th Street & Wabash Avenue		Formerly: Mid Continent Tire Correspondence From: Bemis Company, Inc. - Raymond L. Kochert - Plant Manager To: KDHE - Chris Jump RE: Environmental Contamination at 13th and Washington Site	Raymond L. Kochert - Bemis - Plant Manager	December, 1993	Response to KDHE's Request for Information
		Correspondence From: Linda Prockish - KDHE - Hazardous Waste Section To: Josie Williams - Bemis Company, Inc.	Linda Prockish - KDHE - Hazardous Waste Section	June, 1994	EPA ID Number KSD007237357 - Change Generator Status to a Non-regulated Facility
Bilpin, Inc. / Pinsker Steel, Inc.		No Data in File	N/A	N/A	No Data in File
Borden Site 401 N. Washington/ Vacant Property	BRD	Report of Phase I and Limited Phase II Environmental Site Assessment	Law Engineering, Inc.	May, 1993	Full Report, Note: 3 shallow gw samples analyzed for VOCs, none detected
Browning Ferris Industries, Inc. 2745 N. Ohio	BFI	Response to KDHE request for information. No analytical data.	BFI, Houston Texas	April, 1989	Text of response to request

**North Industrial Corridor (NIC) Site
Environmental Investigation Reports in CDM Files**

Subject Site	Site Prefix	Report Title	Prepared by	Report Date	What's Present
Browning Ferris Industries, Inc. 2745 N. Ohio	BFI	One Point Underground Storage Tank (UST) Assessment, Browning Ferris Industries, Inc. 2745 N. Ohio, Wichita, Kansas	HWS Technologies	August, 1992	Partial Report - BTEX and PAH analyses, well construction diagram
Cargill / Excel / Notice Change East 21st 900	EXC	Correspondence From: KDHE - Hazardous Waste Section - Gigi Perry To: Kim Gravely - Excel R & D Analytical Lab - RE: EPA ID Number: KSD071374854 - 2901 N. Mead	KDHE - Administrative Officer - Hazardous Waste Section - Gigi Perry	December, 1992	Notification of Hazardous Waste Activity Form - change made in facility name from Excel Corporation to Excel R & D Analytical Lab
Cargill / Excel Data 900 East 21st	EXC	Burns & McDonnell - Waste Consultants, Inc. - Laboratory report sheets from Barwise Property Phase II - QA/QC Sample Results	Burns & McDonnell - Waste Consultants, Inc. - Bill Weis	May, 1997	Analytical Data Sheets
Cargill / Excel Site Map East 21st 900	EXC	Site Map of Excel Facility	Unknown	None	Hand Drawing
Cargill and Excel Properties 26th & Mead	EXC	1991 Cargill Monitoring Wells at 26th and Mead	Burns & McDonnell Waste Consultants, Inc.	April, 1997	Full Report
Cargill and Excel Properties, 29th and Mead; 26th and Mead; 1465 Barwise	EXC	Compilation of Past Investigation Results for the Areas Near Cargill and Excel Properties in Wichita, Kansas - Submitted to Camp Dresser & McKee - Prepared for the City of Wichita.	Burns & McDonnell Waste Consultants, Inc.	April, 1997	Full Report
Cargill Inc./Excel Corporation	EXC	Correspondence From: KDHE (Linda Prockish) To: Tim Murphy RE: Change in Hazardous Waste Activity form	KDHE	March 5, 1996	Notification of Hazardous Waste Activity (Change)
Cargill Inc./Excel Corporation	EXC	Misc. correspondence and memorandum	KDHE, Cargill	1980 - 1985	Correspondence related to environmental compliance at Cargill Oil Seed Refinery
Cargill, Oil & Seed Division- Wichita 1417 N. Barwise	COS	Memorandum from Dave T. Stunkey to Tom Gross regarding Cargill Waste Oil Incident	KDHE	July, 1985	Narrative of Improper Disposal of Waste Oil by Cargill
Cargill, Oil & Seed Division- Wichita 1417 N. Barwise	COS	Correspondence From: Cargill Inc. - Melinda Doucette - Environmental Coordinator To: Permits & Compliance Section - Bureau of Water Protection - Patti J. Voiers	Cargill Inc. - Melinda Doucette - Environmental Coordinator	January, 1994	RE: Kansas Water Pollution Control Permit No. I-AR-94-C009 - Concerning no NPDES Discharge
Cargill, Oil & Seed Division- Wichita 1417 N. Barwise	COS	Correspondence From: KDHE - Linda Prockish - Hazardous Waste Section - Bureau of Waste Management To: Cargill, Inc. - Soybean Oil Refinery - Tim Murphy	KDHE - Linda Prockish	March, 1996	RE: EPA ID Number: KSD 980-687-230 - 1417 N. Barwise - Wichita
Cargill Inc.		Phase II Environmental Assessment of the Hopper, Luinstra, Lies and Prater Properties, Wichita, Kansas, Black and Veatch Project 96084	Black and Veatch	September, 1999	Full report

**North Industrial Corridor (NIC) Site
