KANSAS RESOURCE GUIDE

The Kansas Resource Guide (KRG) is a collaborative effort to help consumers and service providers find resources in Kansas.

Through this website, we strive to:

- Provide access to community resources; and
- Reduce time spent in searching for information needed.

The KRG website is a navigational tool to connect Kansans with community service providers.

You can find links to our partner's websites, topical lists and a searchable resource directory.

Find information on:

- Advocacy
- Adult and Aging Services
- Disability Services
- Education
- Employment
- Health Care Services
- Independent and Community Living
- Nutrition and Wellness
- Women and Children's Services
- Youth Services (age 14-26)

You can search for resources based upon your geographical location and/or specific services.

The KRG can help you identify...

- Available resources
- Who to contact
- Where to go for assistance

Attention Providers!

We invite you to sign up as a provider with the KRG. Here are some benefits:

- Connect your business or organization to your community at **No Cost**
- Create and update your profile at any time of day
- Increased awareness for services available
