

January 3, 2005

Prospective Bidders,

The following briefly summarizes major changes in the Kansas Risk-Based Corrective Action (KRBCA) for Petroleum Storage Tank Sites Report Format Version 3, July 2003. The new Report Format is entitled Limited KRBCA for Petroleum Storage Tank Sites Report Format Version 1, January 2005. There are additional minor changes throughout the document. Please review the new KRBCA Report Format in its entirety.

Section 1.0 Field Workplan Submittals

Workplan submittals must now include the projected location of the point of exposure.

Section 3.0 Tiered Reports

(Former) Has been deleted from the report format.

Section 3.0 Final Report Format

(Current)

- 1.0 Changes to 1.1, General Summary, 1.4 Source History.
- 2.0 Changes and/or additions to Tables 2.3, 2.4, 2.5, 2.7, 2.8 and 2.9.
- 3.0 (Former) Has been deleted from the report format.
- 3.0 (Current) Changes to Figures 4, 5 and the requirements for 8 and 9.
- 4.0 Changes to the drilling logs
- 6.0 Appendices 1 and 2 have been deleted from the report format.

Attachments Former Attachments B,C and F have been deleted from the report format.

Respectfully,

Roger Boeken
Investigation/LUST Unit Chief
Bureau of Environmental Remediation
