I, _____, the property owner, agree to allow this property to be used for this disposal purpose.

Applicant agrees to the following:

1. Waste material shall be only demolition waste generated at the disposal site.
2. The disposal area must be covered with a minimum of two feet of soil and seeded, rocked, or paved.
3. The final grades for the disposal site shall be compatible with and not detract from appearance of adjacent properties.
4. A restrictive covenant shall be submitted and filed as described at the bottom of this page.

Please attach a sketch of the disposal site. The sketch should include the location of the structure to be buried, the proposed burial site, and any nearby landmarks such as other structures, streets, water features (creeks, streams, rivers), and access roads.

Once completed, return pages 1 and 2 and the site sketch to KDHE-Bureau of Waste Management. The applicant shall not commence disposal activities unless/until written approval is issued from KDHE-Bureau of Waste Management.

The applicant shall submit a draft restrictive covenant for the area where waste will be disposed. A restrictive covenant form is available on the Bureau of Waste Management web site. If KDHE authorizes the requested disposal, the property owner shall be required to file the approved restricted covenant with the County Register of Deeds within 14 days following completion of the disposal, and a copy of the filed restrictive covenant shall be submitted to KDHE within 30 days of filing.
