Re: Updated RCRA Hazardous Waste Permit (Part I)
Koch Nitrogen Company, Dodge City
EPA ID No. KSD044625010

Dear Mr. Angell:

Enclosed with this letter we are forwarding the updated pages for the above referenced permit. The Permit includes all changes through September 12, 2003. Specifically, these changes include:

- The transfer of the permit from Farmland Industries, Inc. to Koch Nitrogen Company (KNC), effective May 20, 2003.
- A 30-day extension of the deadline for KNC to submit certification that the applicant has read the Permit (Permit Condition I.E.16.b.).
- A 240-day extension of the deadlines for KNC to submit Closure Plan and Post-Closure Plan documents for the Chromium Destruct Unit (Permit Conditions III.B.1. and III.C.1.).
- A 240-day extension of the deadline for KNC to submit modifications to the Sampling and Analysis Plan (Permit Condition IV.D.4.e.).
- Other minor typographical errors.

Copies of highlight/strikeout pages denoting the changes from the original text in the Permit are enclosed. With these updated pages, the Part I Permit should be up-to-date for your use. Nevertheless, should you have any questions or require additional information, please call me at (785) 296-1609.

Sincerely,

Mostafa Kamal, PE, CHMM
Chief, Hazardous Waste Permits Section
Bureau of Waste Management
