Re: Semi-Annual Groundwater Monitoring Report and Annual Supplement and Evaluation
Koch Nitrogen Company, Dodge City, Kansas, EPA ID #KSD044625010

Dear Mr. Kamal:

Enclosed please find the Semi-Annual Ground Water Monitoring Report, including the annual supplemental report and evaluation, for the Koch Nitrogen Company facility in Dodge City, KS. This report is submitted in accordance with Section IV.E of Part I of the permit and a signature and certification are contained in the report in accordance with Section I.F of Part I of the permit.

Please contact Brian Moore at 620-227-8631, ext. 350 if you have any questions.

Sincerely,
KOCH NITROGEN COMPANY

Gary LeRock
