Subject Koch Nitrogen Name Change

Good afternoon Mostafa,

Thank you for your letter of December 18, 2008, and for taking the time to talk with me this morning. As we discussed, the facility is in the process of completing a revised Part A Application to submit to KDHE and EPA. We expect to be able to submit that this week.

This e-mail confirms that, following the merger, Koch Nitrogen Company, LLC will supplement the Business Concern Disclosure Statement, Form I, to update the form to reflect the post-merger entity. This revised Business Concern Disclosure Statement will be submitted to KDHE by February 27, 2009.

Based upon Koch's agreement to provide the above requested documents, we understand KDHE's letter to be an approval of the proposed December 31, 2008, merger of Koch Nitrogen Company (a Nebraska corporation) into Koch Nitrogen Company, LLC (a Delaware limited liability company).

I would like to thank KDHE again for your assistance and your expedited review. We sincerely appreciate your efforts to accommodate our short deadline, and your understanding in allowing us to supplement the Business Concern Disclosure Statement following the merger.

Thank you for your help and Happy Holidays!!  
Sincerely,  
Jessie Merrigan
