**Re: Class 1a Permit Modification for Facility Name Change
Koch Nitrogen Company, LLC
EPA ID# KSD044625010**

Dear Mr. LeRock:

The Kansas Department of Health and Environment (KDHE) revised the cover page of the facility's permit to reflect the facility's recent name change from Koch Nitrogen Company to Koch Nitrogen Company, LLC. A copy of the cover page is enclosed with this letter. As noted in a December 18, 2008 letter, due to the minor textual changes, KDHE will not require you to submit replacement pages for the approved Part B application. If you have any questions or concerns regarding this letter, you may contact me via e-mail at espellma@kdhe.state.ks.us or by phone at (785) 296-1616.

Sincerely,

Everett Spellman
