RE: Temporary Shutdown of Recovery Wells for KNC Turnaround Activities
Koch Nitrogen Company, LLC – Dodge City Facility
Post Closure and Corrective Action Permit, EPA ID No. KSD 044625010

Dear Mr. Kamal:

Koch Nitrogen Company, LLC (KNC), as the owner and operator of the Dodge City Nitrogen Plant located near Dodge City, Kansas, hereby submits a request for a temporary authorization from the Kansas Department of Health and Environment (KDHE) under Part I, Section IV.C.3 and IV.C.4 of its RCRA Post Closure and Corrective Action Permit (the Permit) to conduct a temporary shutdown of the wells within the recovery well network for a period of approximately 7 calendar days to allow KNC to perform maintenance and clean portions of the wastewater system at KNC. This work is scheduled to begin June 4, 2012 as part of a planned maintenance outage at the KNC facility. Should challenges arise that cause KNC to deviate from this schedule, KNC will notify KDHE.

In accordance with 40 CFR 270.42(e), KNC will send a notice of this request to all persons on the facility mailing list within 7 calendar days of this submission.

If you have any questions about this request, please do not hesitate to contact Elise Stucky-Gregg at (620) 371-7910.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision according to a system designed to assure that qualified personnel properly gather and evaluate the information submitted. With the exception that certain information in the attachments may not reflect modifications to the Permit previously requested by KNC, as described above, based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief,
