

**Postclosure Care  
Reduction/Termination  
Workshop:  
Presentation Outline &  
Supporting Documents**

**10 to 10:15 AM, May 7,  
2014 in Salina**

---

# Presentation Outline and Supporting Documents

**Purpose:** To outline the PCC part of the workshop and identify the available supporting documents.

**Format:** Presentations followed by Q/A sessions.

Please hold your questions until the following Q/A session.

Please turn off cell phones.

# Presentations Outline

- **Morning Session:** Presentation of the basic content of a PCC reduction &/or termination (R&/orT) plan which is an alternative to existing Subtitle D permits PPC plans.
- **Afternoon Sessions:** Presentations of how to develop leachate and landfill gas (LFG) sampling plans which are the basis for a successful alternative PCC R/T plan.

# Supporting Document Summaries

(All documents are posted on the BWM website:

[http://kdheks.gov/waste/p\\_pcc.html](http://kdheks.gov/waste/p_pcc.html))

## **BWM Policy Documents**

- 1. Permit Renewal and Financial Assurance Requirements for Landfills Operating Postclosure Environmental Monitoring Systems, Policy 2014-P1.**
- 2. Reduction and/or Termination of Postclosure Care Activities, Policy 2014-P2.**

# Technical Guidance Documents:

- 3. Preparation of Postclosure Care Reduction and/or Termination Plans, Technical Guidance Document SW-2014-G1.**
- 4. Leachate Sampling Plan for Reduction and/or Termination of Postclosure Care, Technical Guidance Document SW-2013-G3.**
- 5. Landfill Gas Sampling Plan for Reduction and/or Termination of Postclosure Care, Technical Guidance Document SW-2013-G2.**

# Other BWM References

- 6. PCC Termination Determination and the Concept of Equilibrium (9-26-12)**
- 7. Clarification of Postclosure Care Terminology (3-26-14).**
- 8. Post Closure Care (PCC) Termination Plans: Principles and Needs (11-27-12).**

# **Other References (Continued)**

- 9. A Basis for a Leachate Sampling Protocol: Comparison of Allen and Johnson County Landfill Leachate Sampling Results (8-5-13).**
- 10. Allen County Landfill Pilot Study Final Report and the Determination of Postclosure Care Termination (October 2, 2013).**
- 11. Summary of Leachate Sample Collection, Storage and Distribution for Kansas Subtitle D Landfills (5-29-13).**

# **Other References (Continued)**

- 12. Recommended List of Leachate Parameters for Post Closure (PCC) Care Terminations (3-27-12).**
- 13. Training Primer for Sampling of MSWLF Emissions for the Determination of Postclosure Care Reduction/Termination Plan (4-1-14).**

- **Break Time: Reconvene at 10:30 AM.**
