

## EXHIBIT AT WORKS! 2010

This is your opportunity to showcase your goods and services at the 16<sup>th</sup> annual **WORKS!** event **March 23-25, 2010** being held at the Courtyard by Marriott in Junction City, Kansas.

Companies and organizations involved in recycling, composting and household hazardous waste management are invited to exhibit their products and services. Attendees consider the exhibit area as one of the main highlights of the conference.

### WHY EXHIBIT?

- Personally meet your customers, competitors and suppliers
- Prospect for new customers
- Introduce new products and services
- Recruit distributors and dealers

### WHO ATTENDS?

- Key Decision Makers, County Commissioners, County Engineers, and Extension Agents
- Mayors, City Administrators and Managers, Parks and Public Works Directors and Superintendents
- Landfill Operators, Solid Waste Collectors, Recycling, Composting and Household Hazardous Waste Officials and Planners, Government Officials
- Foresters, Conservationists, Gardeners, Teachers, Students, Environmental Writers, Farmers, Tree Board Members, Environmental Activists

Exhibitors will be furnished with a draped table. Please note that electricity is available upon request at an additional charge.

The exhibit cost has remained unchanged with exhibit space available for the low cost of \$300.00. Space is limited and registrations will be available on a first come-first serve basis. Exhibitors registering prior to February 6<sup>th</sup> will be listed in the conference program. Registrations received after February 20<sup>th</sup> will be accommodated on a “space available” basis only.

Each paid exhibit registration receives one complimentary conference registration. Additional exhibit representatives attending the conference and meals need to register for the conference and pay the full conference fee(s).

**Please be sure to return your form no later than Friday, February 6<sup>th</sup> to be featured in the Conference Guide.**

We're looking forward to seeing you!
