**RE: Exhibiting and Demonstrating at 2011 WORKS! Conference**

This is your opportunity to be involved in our 17<sup>th</sup> annual **WORKS!** Conference March 22-24, 2011 to be held at **Wichita Hyatt Regency, Wichita, Kansas**. This conference is a broad based statewide conference with many sponsors and a strong regional appeal with more than 300 people from across Kansas and at least half a dozen states attending. The audience involves public and private sector decision makers and facility operators.

Some special features of the conference include an agenda that provides for extensive networking and exhibit time. A majority of the concurrent sessions and events will take place in the convention area of the hotel. Tuesday afternoon is dedicated towards tours and demonstrations of composting and recycling equipment at the local Wichita facilities. **New this year will be a golf tournament on Monday afternoon, March 21<sup>th</sup>, 2011.**

Tuesday evening KDHE is hosting a social event in the exhibit hall and Wednesday evening the Kansas Organization of Recyclers is hosting an event. So join us in a unique atmosphere combined with the amenities of a conference hotel on the river walk this coming March. Attached are forms for exhibitors and demonstrators. **Please be sure to return your form no later than Friday, February 11<sup>th</sup> to be featured in the Conference Guide.**

We're looking forward to seeing you!
