

Loan Agreement for Interactive 9-1-1 Simulator

The Retina Systems, Inc. Interactive 9-1-1 Simulator is the property of Safe Kids Kansas and is available on loan through the Kansas Y-FIRE Program. Any organization borrowing the simulator MUST agree to use it with reasonable care and return it by the date specified. If returned by mail, UPS or other delivery service, the borrower MUST agree to insure the simulator in the amount of \$2,400. There is no charge to the borrower except return postage and the cost to insure the simulator. PLEASE report any problems immediately so it can be repaired before being put back into service.

The borrower must also agree to keep a count or make a reasonable estimation of how many persons were trained using the simulator to assist with our performance outcomes. Email your request to Elena Nuss at enuss@kdhe.state.ks.us then complete the information below, sign, date and fax it "Attention: Elena" to 785-296-8645. You must provide a phone number where the responsible party can be reached during business hours and a fax number or email address where we can forward "Confirmation". If you have questions Elena can be reached at 785-296-3403.
