STARTING THE PROCESS

➤ Working Group Tasks and Expectations

- Define the what and why of the concept
- Discuss who may be missing from the conversation
- Identify related efforts and how to coordinate and share information
- Determine what information is needed between meetings
- Outcome: Develop recommendations for Child Care Licensing
OR recommendation for best pathway forward within system

STARTING THE PROCESS

➤ Working Group Tasks and Expectations

- Attend monthly meetings and actively participate in discussion.
- Evaluate progress on a quarterly basis to determine next steps.
- New groups developed as needed.

STARTING THE PROCESS

➤ Developing Ideas

- Tie ideas and gaps to the All in for Kansas Kids strategic plan and/or Needs Assessment.
- Develop recommendations that address gaps and/or challenges that we know exist broadly in the system.
- What expertise do you have in your group?
- What information or other voices do you need to develop a recommendation?

STARTING THE PROCESS

➤ Developing Recommendations

- Start each CC-SIT meeting with progress updates from working groups.
- If ready to make a recommendation, working groups will present to the full group for consensus (template will be provided).

CC-SIT

WORKING GROUP SESSION

- Break into Working Groups
- Today's Goal: Complete the group scope and goals (template provided)
- If time allows, please continue onto the Ideas template!
- This work will continue in May and June.
- We will assess after June meeting to determine next steps (e.g. continuing work, identifying new group).
