

22 Ways To Go Green For

EARTH DAY

1. Participate in a Kansas State Park Cleanup
2020 Locations: Lovewell, El Dorado, Elk City, Perry, Cheney, & Clinton
2. Participate in a local Earth Day event
3. Plant a tree or flowers
4. Host a recycling drive for hard to recycle items like electronic waste
5. Cleanup your favorite park, playground or hiking trail
6. Start composting food scraps at home
7. Shop second hand
8. Create a "Green Team" at work or school - identify and implement sustainable changes
9. Create signs to put up around your building to help people remember to recycle
10. Support local businesses who focus on sustainability
11. Volunteer with a local environmental group or charity
12. Organize a carpool
13. Create art pieces out of recycled materials
14. Create a share table or shelf in the fridge - to share uneaten food and reduce food waste
15. Implement a "paper-free" day
16. Use reusable shopping bags
17. Shop at a farmers market for fresh fruits and vegetables grown locally
18. Ditch disposables - Opt for reusable options
19. Challenge yourself and your friends to stop using single-use plastics
20. Create your own Earth Day event & recruit volunteers
21. Spread the word - Share your "green" ideas and Earth Day activities on social media
22. Tag Keep It Clean Kansas - So we can see it too!
