Regulations concerning hazardous waste and used oil transporters can be found at KAR 28-31-4 et seq.

**Each hazardous waste or used oil transporter must have an EPA ID number. You must inform the Kansas Department of Health and Environment within 60 days when there is a change in the information associated with that EPA ID number. As part of the transporter registration or renewal, please complete the Notification of Regulated Waste Activity Form (8700-12) to obtain an EPA ID number or to update the company information. The form is available at www.kdheks.gov/waste.*
