

insurance certificates and other required documents shall have been furnished and the contract documents have been executed by the successful bidder.

In the event the low bidder is unable to execute the contract, for whatever reason, within the time provided in the Notice of Award, the city may annul the Notice of Award and the bid deposit may be forfeited and the city shall exercise its legal prerogatives, including, but not limited to, enforcement of its rights as to the bid security or specific performance.

The city reserves the right to accept or reject any and all bids and to waive any technicalities or irregularities therein. Bids may be modified or withdrawn by written request of the bidder received in the office of City Clerk, prior to the time and date for bid opening.

From and after the release of this notice, any party intending to bid on the above referenced project, including their officers, employees, agents, or contractors are specifically prohibited from communicating with any elected or appointed official of the city, directly or indirectly, with regard to the award of the contract for the project listed above, except as specifically authorized by the instructions to bidders. Any such unauthorized communication may result in the automatic disqualification of such bidder.

All bidders agree that rejection shall create no liability on the part of city because of such rejection, and the filing of any bid in response to this notice shall constitute an agreement of the bidder to these conditions.

If this section is completed, a pre-bid conference will be held at 10:00 a.m. March 3, 2020, in the Lenexa City Hall Prairie Star Conference Room, 17101 W. 87th St. Pkwy., Lenexa, KS 66219.

**Notice of Permit Modifications  
at Hazardous Waste Facilities**

The Hazardous Waste Permits Section of the Bureau of Waste Management (BWM) has available for review a list of all approved permit modifications for Resource Conservation and Recovery Act (RCRA) permitted facilities that treat, store, or dispose of hazardous waste in Kansas. The list has been updated to reflect permit modifications approved in 2019 and is available for review at [http://www.kdheks.gov/waste/p\\_pubnot\\_hw.html](http://www.kdheks.gov/waste/p_pubnot_hw.html).

The publication of this notice fulfills the requirement of a Memorandum of Agreement (MOA) between the Kansas Department of Health and Environment and the Environmental Protection Agency (EPA). The MOA establishes policies, responsibilities, and procedures for the State of Kansas’s Hazardous Waste program authorized under Section 3006 of RCRA by EPA Region 7 Administrator on June 27, 2013.

For further information, please contact Maura O’Halloran, Chief, Hazardous Waste Permits Section, at 785-296-1609 or [Maura.OHalloran@ks.gov](mailto:Maura.OHalloran@ks.gov).
